President's Report

Mark Stewart

RETIREMENT AND REFLECTION

As I share my final AGM report with you and reflect on many years, I do so with a deep sense of gratitude. My journey began in the early 80s as a member and then in 1997 as a sponsor. I joined the board in 2005, committing to what I thought would be a two-year term — what I never anticipated was nearly 20 years of commitment to a club I deeply love.

With the recent signing of our club lease, securing a permanent home for our football club, the timing feels right to retire and focus on my family and other interests.

I took on a more intentional role with the club after the narrow loss of the 1997 grand final. I have always been deeply proud to be part of a club that has shown an extraordinary ability to bounce back from tough times, celebrate great wins, and grow into an organization known not only for its phenomenal on-field achievements but also for its deep connection to the community. We are unmatched in the quality of our people and the values our club upholds.

Your dedication has been instrumental in achieving the milestone of returning to our home ground and redeveloping our facilities. Along with the support of the State Government, we have realised a shared vision for the future, establishing the foundation for a new era at East Fremantle Football Club. While there is still much to be done, I leave confident in the club's future and the people leading it forward.

LEADERSHIP CHANGES

This year, we've seen significant changes in our leadership team that mark an important transition as we build a new era.

I extend our thanks to Addy Wetzler for his time as CEO and to Brad Dodd for his dedicated work as GM of Football. Their vital contributions have been integral to our journey.

We warmly welcome Adrian Bromage as our new CEO and Shane Woewodin as our new GM of Football. Their fresh energy and vision position us well for continuing success and an exciting future.

LEADERSHIP PHILOSOPHY AND GOFUNDME SUPPORT

Leadership is about resilience, integrity, and making the right decisions in challenging times. One such decision the board made was the GoFundMe campaign, which was instrumental in helping our club through recent challenges.

To all who generously contributed, again I say thank you. Your support at that time helped our club stay strong during our time away from home, enabling us to continue forward despite obstacles. We are immensely grateful for your generosity at that time and belief in the club. The financial assistance generated by the GoFundMe campaign has been a lifeline, and it is something that should not be forgotten but remembered for years to come as a testament to the generosity and unity of our East Fremantle family. It stands as an example of how our people came together to help the club when it was most needed, showing the strength of our community. For this, we are immensely grateful.

CLUB LEASE AND LICENSE AGREEMENT

Over the last 10 to 20 years, the hard work of this board and those before it has been instrumental in setting the foundation for the next stage of East Fremantle Football Club's journey. The achievements of the past year, including securing a long-awaited lease and progressing key projects, are the culmination of years of dedication, persistence, and vision.

The signing of the Club's lease and license agreement marks a significant milestone, bringing much-needed stability to the Club. For over 30 years, the Club operated without any form of a lease, which posed considerable challenges, particularly during the redevelopment process. It has been incredibly difficult to negotiate from a position of strength when such a foundational element was missing. This situation understandably led to frustrations over the years. Signing the lease that has evaded us for over 30 years has been a key milestone for this current board and ultimately the future of the club.

However, the resilience and foresight of the board have been instrumental in overcoming these challenges. I would like to extend my gratitude to Lynsey Warbey for her expertise and tireless work alongside myself and the team, navigating the complexities of this process. Her efforts, coupled with collaboration with the State Government, have been critical in finally securing the lease and progressing the majority of the licensing agreement.

We are pleased to announce that the final items of the licensing agreement are expected to be agreed upon and signed off early in the New Year, ensuring a strong and stable foundation for the Club's future.

The progress we have made is a testament to the commitment of the board, staff, and all who have contributed to shaping East Fremantle Football Club. We are laying the groundwork for future generations to continue building on the club's proud legacy. This hard work is not just about today; it's about the next chapter and ensuring that those who follow are equipped with the tools and resources to take the Sharks even further, it's a foundation for the future.

WORKING WITH THE TOWN OF EAST FREMANTLE

Although at times the relationship between the club and the Town of East Fremantle has been challenging, it is crucial that we remain committed to working together for the benefit of our community.

We may not always agree, but finding a way forward with mutual respect is essential to achieving shared goals. I acknowledge Mayor Jim O'Neill and CEO Jonathan Throssell for their ongoing involvement and look forward to continuing to build a constructive partnership for the future.

SUPPORT FROM THE WAFC

A significant thank you is extended to Michael Roberts, CEO of the WAFC, and Chairman Wayne Martin. Their close working relationship with our club has been pivotal. Over the last decade, our board has been intentional in fostering a strong and collaborative relationship with the WAFC, and this effort is clearly reflected in the positive and productive partnership we enjoy today.

I deeply appreciate their openness, frankness, and collegial approach, which have been vital as we navigate the complexities of football administration. The WAFC's unwavering support highlights the importance of collaboration and mutual respect within the broader football community, reinforcing the shared commitment to the growth and success of our sport.

VISION FOR THE FUTURE

With support from the State Government, we now hold a valuable seat at the table in the Fremantle Oval redevelopment. Recent discussions with the Fremantle Dockers have opened unique opportunities to expand our footprint and strengthen our reach.

Our vision remains rooted in East Fremantle Oval as our spiritual home—a place where we train and uphold our club's heart and traditions—while also playing key games at Fremantle Oval and potentially Cockburn. This ambitious vision establishes East Fremantle as a WAFL club with a significant statewide presence. We must continue to dream big for our club's future, but our success depends on one thing above all: unity.

ON-FIELD SUCCESS AND THANK YOU TO OUR COACHES

Our on-field success is a testament to the dedication and expertise of our coaching staff and players.

To our men's league coach, Bill Monaghan, and his team—thank you for your service and hard work in delivering sustained success. Your strategic insight has been a driving force in maintaining the club on field.

To Matt Templeton, who guided our women's team through a challenging year—thank you for ensuring an elite performance on the field despite the obstacles faced. The women's team has now cemented its place as a powerhouse in the WAFLW, and I extend special thanks to Darcey Meyers for her invaluable contributions to this program.

Congratulations to Michael Farmer and his team for leading the reserves to this year's premiership. Your commitment and guidance have been instrumental in achieving this milestone.

To our Colts and Rogers teams, led by Sam Mainwaring and Troy Fish, along with your coaches and support staff—thank you for your exceptional work. Your contributions are building the future of our club, and we are fortunate to have such a dedicated team shaping the next generation of East Fremantle players.

RECENT ACHIEVEMENTS

Even while battling challenges, our players have shown the resilience and skill that define East Fremantle. Some of the highlights during my time as President include:

- The 2017 Colts Premierships, taking our total to 11 Colts Premiership wins since 1962.
- The 2023 Women's Premiership, a remarkable first for our women's team, achieved through forward-thinking and hard work.
- The 2023 League Premiership, ending a 25-year drought, achieved while training and playing away from our home base.
- The 2024 Reserves Premiership, their first in 16 years.

These achievements exemplify East Fremantle's enduring spirit and commitment to excellence with three of these Premierships won while not at home at East Fremantle oval.

OUR BOARD

Special thanks go to my fellow board members; Vice President Adam Drake-Brockman, Kim Chatfield, David Edinger, Con Tripi, Danielle Green, John Ipsen, Rob Young, and Lynsey Warbey—who bring expertise from their own companies and senior roles to our club, despite the considerable demands on their time, energy and family.

We deeply value each of them for their exceptional management and governance skills, as well as their unwavering commitment to upholding our club's values and priorities. Their dedication has been instrumental in steering East Fremantle through challenges and into a future of continued success.

UNITY: OUR KEY TO SUCCESS

Throughout its 126-year history, East Fremantle has been at its best when we stand together as one. Unity across our board, staff, players, volunteers, and supporters is not just desirable—it is essential for our continued growth and success.

To realise our bold vision and maintain our proud traditions, we must unite under the shared purpose of strengthening East Fremantle for generations to come. Let us respect each other's roles, value diverse contributions, and build bridges within the club and our community. Only through collaboration and solidarity can we overcome challenges, celebrate triumphs, and cement our place as a leader in the WAFL.

Now more than ever, we need to pull together for the Blue and White, upholding the values that have made this club a beacon of excellence.

ACKNOWLEDGEMENTS AND KEY SUPPORTERS

I'd like to thank the State Government for their ongoing support, with special acknowledgment to Lisa O'Malley, Member for Bicton; Deputy Premier Rita Saffioti; and Lanie Chopping, Director-General at the Department of Local Government, Sport and Cultural Industries, for their commitment to engaging with the club and securing \$340,000 in State funding.

A special thank you to Ron Alexander for his countless hours of guidance and invaluable insights during this pivotal period.

Thank you to Tony Buhagiar for his unwavering support and operational expertise, and to our Patron and club sponsor, Ray Meadowcroft, for always being a steadfast listener and supporter. I also extend my gratitude to Roger Kerr, whose assistance with the facility has prepared us well for the future.

To all our patrons, I extend a heartfelt thank you for your dedication to the club, with special acknowledgment for those who have gone above and beyond to support us.

OUR FUTURE

We're heading into a new year and a new home carrying both recent football success and standing on a proud history of inclusion, innovation, and excellence. Together, we have an incredible opportunity to continue to build on our legacy, but it will only be possible if we are united in purpose and action.

Let us move forward as one, respecting the past, embracing the present, and boldly shaping our future.

I would like to personally thank every one of you. I wish you and your families a happy and enjoyable Christmas and a fulfilling 2025.

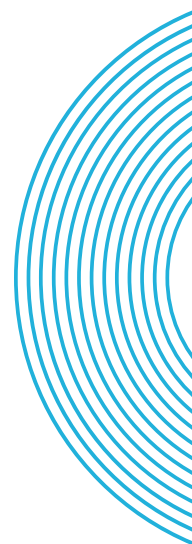

FINAL REFLECTIONS

Serving as President has been a great privilege. I am especially proud to be one of only two Premiership Presidents still with us today. As I step back from this role, I look forward to supporting the club in a new way—not only cheering from the stands but also assisting in any way the club requires.

Thank you for sharing these magnificent years of East Fremantle Football Club's journey with me and for letting us stand together united for the Blue and White. The friendships, achievements, and memories we've made will remain with me forever.

It has been a profound honor to serve you, and I look forward to witnessing the continued success of this remarkable club and its people in the years ahead.

Always stay United for the Blue and White.

Membership Committee: Thanks again for the wonderful support I received from Rod & Glenn Brown, David & Lyn Edmondson, Angelo Cuccovia, Alby Huts and Lynette Smith. My appreciation to the Office Staff Dee Boni, Julia Baddock (early 2024) and Taryn Priestly, Nicholas Jackson, and Anna Milne for their assistance also.

Special Mentions: A special thankyou to our outgoing CEO Addy Wetzler, and we welcome Adrian Bromage to the club as our new CEO. I would on behalf of the members say a big thankyou to our retiring President Mark Stewart.

I've worked with Mark as the General Manager and Board Member for over 20 years. Mark has done a remarkable job in steering our club in the right direction. Thanks Mark.

Members: Get behind our club and encourage all our past members, players and supporters to join the club in 2025. As your support is vital in the continuation and growth of the Mighty Sharks. Looking forward to seeing you all next season.

Season 2024 was challenging for the Club on and off the field. Our women had a great season and nearly pulled off a back-to-Back Grand Final and our league played finals, and our reserves were runners-up to Claremont in their Grand Final appearance. Not a bad effort for a club without a home and I would like to thank our admin staff, our football department, our players both men & women throughout all grades and our many volunteers for making season 2024 a season to look back on with pride. To our members, sponsors and supporters thank you for your continuing support. The EFFC is extremely fortunate to have a loyal group of sponsors as, without their support, especially during our three (3) years on the road without an official home ground. I would like to encourage our members and supporters along with our playing groups to continue using and promoting to others where possible our sponsors which you will find on our web page.

As most would be aware with the media releases the EFFC, commencing from the 1st of November, moved back into Moss Street. There is no denying the challenges the EFFC faces with its transition into operating our Club within the Community Park Centre and yes it will be challenging and will take adjusting to as we work towards commencing in 2025 providing a game day experiences that delivers. Oval signage for our sponsors and signage for the club are key components under discussion, and we expected both to return by the start of the season. The success of our return to the facility and future improvements which are also in discussion will require our members to embrace our return to the oval as we work towards growing a sustainable business model that will provide the club with the financial stability required to deliver success on and off the field. The recent appointment of Adrian Bromage as CEO brings a valuable business skill set to the Club as he did when he brought his playing skills to us winning a Sandover Medal along the way. Shane Woewodin, former player, coach, and a Brownlow Medallist recent appointment as our Football Manager also brings a wealth of experience back to the Club.

Also, on behalf of the Club I would like to thank Mark Stewart who is stepping down after, ten (10) years as President and we wish him all the best in the future, and we look forward to his continued support. Lynsey Warby has also decided not to seek re-election due to increase in her work commitments as a State Government Lawyer. Lynsey has been a valuable contributor to the Board and on behalf of the Board and Members a special thanks. Our Season launch is a major event for the club and planning is well underway with a date to announced in our lead up to Xmas. Finally, I would like to thank personally the members for their support, and the many sponsors who I have met over the years for their continued support of the East Fremantle Football Club.

Senior Men's Coach

Bill Monaghan

Season 2024 was certainly a challenge as the return to East Fremantle Oval never eventuated and we had to deal with a one game penalty, which ultimately cost us 3rd spot on the ladder. On top of that we had to deal with the disruptive nature of training at various venues, playing home games across many venues and the uncertainty of those changes often causing late changes to our schedule – moving nights and venues at late notice, playing a large chunk of games on Sundays.

Now I have that off my chest, some positives. Among the highlights were qualifying for the Finals, the Reserves' Premiership victory, and the incredible resilience shown by our players and staff in overcoming these challenges. Over the past three years away from EF Oval, the senior team has achieved a remarkable feat: winning more games than any other WAFL team during that time.

There are some significant changes to our squad leading into 2025 and whilst it will be difficult to replace them I believe that the growth of the next tier of leaders such as Baskerville, Bennett, Montauban, Bailey, Murdock, Tassone and Murphy along with the development of the next batch of 100 gamers in Zadow, Dunscombe, Vladich amongst others gives me great confidence that we will continue to challenge.

Our experienced players still have plenty of shelf life in them in the likes of Jansen, Eardley, Harry Marsh, Jono Marsh and Marlin to keep us at the top of our game.

Every departing player has made a significant contribution to our rebuild. From Premiership stars like Matthew Jupp, Josh Schoenfeld, Luke English, Fraser Turner, Ben McGuire, Brayden Lawler and Jackson McDonald,

Sandover Medallist Blaine Boekhorst, Reserves Premiership Captain Enrique Aitken-Featherstone, to stalwarts such as Corey Holmes and Matthew Burton, their impact on and off the field has been invaluable.

I need to make a special mention of Juppy – to see Matthew's growth as a player (2 x Lynn Medallist, Premiership Captain, 3 x State Representative, State Captain) but more importantly his growth into an outstanding leader of our football club has been one of the most rewarding parts of coaching the EFFC. He has led by example and his standards, care and passion for the club and the people in the club will be long remembered.

We have also lost another huge piece of the puzzle that has helped the turn around and shape the group in Brad Dodd. His tireless work to put together our list and manage the program was critical to our success but the guidance on everything football along with the friendship certainly made my job much easier.

The senior coaching group of Craig Smoker, Joe Comande and Adam Ricciardello have again provided great knowledge and direction for the players as well as supporting me.

Michael Farmer, it's one year and done, but his thirst to improve individually and provide the guidance to a young group who tasted Premiership success in the reserves was outstanding. Paul Mews and Paul Hansen, with cameos from Ricca, Doddy and Harry Marsh provided great support for the playing group.

Our investment in "Development" with the splitting the roles of Reserves Head Coach

(Michael Farmer) and Head of Development (Adam Dancey) has set the standard across the WAFL in educating our first to third year players. The appointment of Sacha Fulton as Performance Specialist provided support for the players and coaches across many facets and rounded out the program. Having nine Colts-eligible players, including two 17-year-olds, represent the Reserves on Grand Final day is a testament to the success of that investment. Whilst the nomadic existence has been a challenge for our playing group our wonderful expert staff and support staff have been unbelievable. A huge shoutout to Head of S&C Jye Welsh, Doctor Gareth Carroll, Head Physio Marina Torres, Head trainer Brooke Elliot, Team Managers Uldis Zile (League) and Bruce Gaskin (Reserves), match day staff Craig Anderson, Kane Lucas and to all our wonderful trainers, hydration specialists and property team. Congratulations to Milan Murdock who added a second Lynn Medal and a second Simpson Medal to his collection. Milan leads the way with preparation and competitiveness and will continue to lead the way for many years to come.

Thank you to outgoing President Mark Stewart who has always supported me and to do 19 years on the board with 10 years as President is an incredible achievement. All the best Stewie. As we reflect on 2024's challenges and achievements, I'm excited for what lies ahead. I look forward to seeing you all back at Shark Park in 2025, ready for another year of hard work and success.

WAFL YEAR IN REVIEW

Kyle Baskerville

Off the back of a premiership season, we saw majority of the playing group return, eager to emulate the success of the previous year. We had a slow start to the season where we were not able to play our best football.

After the first 6 games, with 3 wins, 3 losses and a negative four-point penalty handed down to us, we were sitting towards the bottom of the ladder. When we are challenged and have our backs against the wall, we unite to understand where we are falling short, and we get to work, which is something I love about this group of players and coaches. From the state bye to the end of the season, we held a 9 win and 3 loss record. This was largely due to our ability to defend first, win our contests and hurt the opposition with our running power on the offensive end. We had many important clashes towards the back end of the season, which saw us defeat quality teams, who were sitting above us on the ladder. However, an unfortunate bounce in wet conditions at Leederville Oval saw East Perth beat us for a second time in the season. This shut the door on our chances of securing a top 3-position and a double chance in the Finals Series.

We came up against an in-form Claremont outfit in the elimination final. They were better than us on the day, winning the contest battle, and moving the ball effectively. There were plenty of learnings for our playing group on the back of this loss, which ended our 2024 season.

Our new facility was not ready for us to utilise, and it meant that we were required to complete training sessions at an array of different ovals throughout the Perth area. Special mention to the Booragoon and Riverton Football Club, for allowing us to train on their oval and use their facilities throughout the year. To the Swan Yacht Club, thank you for opening your doors and allowing us to complete post-game reviews in your facility.

To Bill Monaghan and Brad Dodd, thank you for being ever dependable throughout the year, working your way through the scheduling issues, constant changes, and providing quality leadership to allow the playing group to focus on what we could control.

To the volunteers, Jye Welch our S&C coach, Marina our head physio, Gareth our team doctor and the trainer's group, your work did not go unnoticed. You all were an integral part of allowing us to play at a high level, despite the challenges you all faced throughout the year. You kept turning up for the playing group, keeping things as stable and consistent as reasonably possible. For that, I can't thank you enough.

The 2024 season was difficult for the playing group. Everyone showed incredible resilience and just got on with the challenges that were thrown our way. We are looking forward to having a place to call home in season 2025. This group has the ability to be something special. With a stable base, holding one another accountable to the high standards we expect, I am excited to see what next season holds for us.

Reserves Report

Paul Mews

Building on the success of 2023, our reserves team was eager to advance their development in 2024. With Ricca moving up to the league side, Farms joined us as Senior Development Coach, and Nugg took charge of the backs. Doddy temporarily covered the mids (and Harry Marsh took the glory on GF day), while I continued with the forwards. We were well-prepared for the new season.

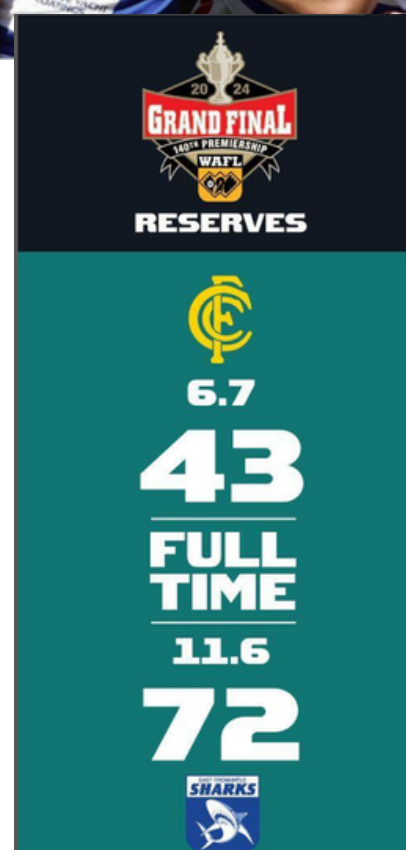

As with most seasons, it took the first round of games to find our rhythm. We kicked off 2024 with a 51-point win over Peel, followed by a tough 71-point loss to Claremont. By the end of round 10, we had secured six wins and were sitting second behind Claremont.

The second half of the season saw us grow stronger as a team, playing selfless football and gearing up for the finals. We finished the regular season in second place, earning a double chance in the finals.

In the first week of finals, we faced Subiaco, a team that has always been challenging for us. We lost by just 4 points but remained in contention. In the second week, we secured a 14-point win against South Fremantle, setting up a rematch with Subiaco. Despite not having beaten Subiaco all season and losing the first final by 4 points, we delivered an outstanding performance, winning by 80 points. This victory gave us the confidence to face Claremont in the Grand Final.

2024 Premiers WAFL Reserves

Reserves Report

Preparation for the Grand Final was relaxed, with the players buoyed by a return to our home ground after three years on the road. The support from senior players who trained with us further boosted our morale. We entered the Grand Final in excellent physical and mental shape.

The outcome of the Grand Final was a testament to the hard work and dedication of the past two years. The players embraced the senior program fundamentals and game style, leading to a remarkable performance on the day.

Throughout my eight years at East Fremantle, I've learned that players and coaches come and go, but each leaves a lasting impact. At the end of the 2024 season, we bid farewell to several key contributors: Cory Holmes, Matt Burton, Enrique Featherstone, Jack Walsh, Koen Sanchez, and our Premiership-winning senior coach, Michael Farmer.

Colts

Sam Mainwaring

Externally, it would be easy to say the Colts have had a disappointing season based on results, internally, we are very proud of what this group has achieved both on and off the field. To help explain, below are some statistics:

- 56 players played throughout the year, 26 of those were debutants.
- 7 long term injuries (5 ACLs)
- 4 Midwest players earnt selection and travelled down to play
- 2 Colts players earnt selection in the premiership winning reserves team
- 1 state 18s representative

We were on average the youngest team in the competition which shows in some of the results. 3 losses under 4 points and another 4 losses under 16 points, totalling 7 losses under 3 goals. That comes down to experience, but it also shows our group has been competitive.

Long term injuries and a tragic loss on the roads to a friend of the team taught our group there are things bigger than football. Support networks were formed and utilised which broke down barriers young men face when reaching out for help. I must say thank you to both Sacha and Charlie for their support provided to our group in these times. I must also thank our support staff, Alec, Holly, Mila, Chris, AP, Brad, Fabian, Trent, Torch and Haz, who bring their energy and genuine care to the group rain, hail, lightning! Or shine. It's a huge credit to the player's and our staff to build an environment where everyone can grow as people.

My thanks to Budgie, Coops and Jack for their commitment as line coaches. It is a substantial time commitment away from family but the resources you provide the group is invaluable.

Thank you to Dave for ensuring our group carries on as unaffected as possible throughout an eventful two years away from home. The experience and value of the program has not been affected due to your hard work.

A special thank you to the departing Brad Dodd, for his support and guidance which has certainly developed me as a coach. It's rare for this kind of move to be met with appreciation and gratitude, but that speaks to the impact Dobby has had on this club.

An eventful year but valuable experiences and lessons gained. Looking forward to 2025 and reintroducing our players to Shark Park!

Colts

The colts commenced their 2025 season preparation way back in November 2023.

Pre-season was a challenge with us utilising several venues to train at over the summer months. Standards set at training were high and it certainly tested the squad, but it prepared them well for the long season ahead.

On field we started the season well with some early wins and some competitive performance against the stronger clubs. Things got tougher through the middle part of the season as we struggled to compete against the bigger bodied, more experienced sides. The year finished on a positive for the group with a win in our final game of the season,

Whilst it was disappointing season on the scoreboard, the boys and staff should be very proud of their efforts over the entire season. An important aspect to our season was that we blooded several of our younger players that should see them ready for a strong 2025 season. I also personally believe the high standards and values we set ourselves from early in the program, helped drive the success for not only this season, but for future years to come.

A big Thankyou to all the support staff involved in our Colts program. Head coach Sam Mainwaring provided great guidance to the playing group throughout the season. Working closely alongside Sam were his assistant coaches Jack Perham, Brad Cooper and Sam Buhagiar who were always willing to pass on their knowledge to the group. The support provided by Alec DaSilva and Aaron Parker (S&C), Holly Boyd (Physio), Chris Ch'ng, Mila Stojanoska (Medical), Brad Coster, Fabian D'Agnone and Trent Farmer (Coaching), Rhys Jones (Runner) was first class from day one.

I would also like to thank our property team, who are always the first to arrive and last to leave on game day, and Angelo Cuccovia our trusty timekeeper for the season.

Thanks also to our Past Players and Officials, Bill Hale and the Mikus family for your generous support of the colt's best player weekly awards.

1974 Under 19s Premiership 50th Reunion

Dave Nugent

On 25th May at Claremont we celebrated the 50th anniversary of the Under 19s 1974 Premiership.

Naturally, this coincided with the celebration of the League teams 24 in 74 achievement.

A sub committee was formed with the inimitable Bob U together with Don (Duck) Kitson, Russell Koch and Dave Nugent and extensive inquiries were undertaken to locate, obtain current contact details and then invite those surviving players, coaches, staff and noted supporters.

Having it at Claremont was particularly poignant because it was the Tigers that we beat in that grand final back in 74.

Brad Halse made the trip back from is retirement in the Eastern States but we located some past players who are now domiciled in far flung areas, many who we hadn't seen a lot of since the 70s.

On the day we had a dozen who made it to the luncheon and although most were carrying weight for age and looking a bit short of a gallop, we regaled anyone within earshot of just how fantastic and wonderful a team we had and what great players we once were.

Coach Ross Keegan was there and he spoke at length about the team and the season and was still capable of handing out a bake to those who were getting too carried away when recounting past glories.

It was great to catch up with Ross, Bob and past trainers from that season Gary McAtee and Bill Keenan as well as team mates.

You never forget winning a flag for the blue and white.

1974 Under 19s Premiership 50th Reunion

Tony Michale

During the year the 1974 Premiership team celebrated its 50th year Re Union

The players only with some staff celebrated the event firstly at a luncheon at the Stables Bar in Perth which was kindly supported by our current patron Tony Buhagiar. The event was held in one of the hotels underground bars which lent itself to a wonderful atmosphere. The lunch was outstanding and of course there was a variety of drinks to choose from which a few boys may have misjudged by the end of the day.

Unfortunately the 74 Group has lost a number of our star players over time, Kerry Coates Glen Durnthaler, Neil Ferguson John Grljusich, Barry Marsh, Paul Nichols, David Spry, and Merv Cowan our President at the time an unusually high number of players and our condolences and best wishes goes out to all the family and friends. However on the other hand the attendance was excellent with only a few squad members unavailable. Others in Doug Green, Chris Hicks, David Hollins, Russ McHenry, Allan Reid, Jeff Trott and Kerry Williams and all travelling long distances to attend.

Obviously the longer the day went tall the stories highlighting the day. Allan Reid travelled from Hong Kong dominated early however the pugnacious Chris Hicks and with our runner Toby Watson and Graham Melrose almost winning his second Sandover for the year were all strong contenders. It should also be noted that Doug Green travelled from Manilla was as usual very steady in defence. Jeff Trott as always providing plenty of humour.

Unfortunately our legendary coach John Todd was unwell and not strong enough to attend the function however was so pleased that he had the opportunity to speak with every player in attendance prior to his passing a short time after the event.

All in all it was as always a wonderful time to catch up with your teammates who we shared so much, hard work, commitment, disappointment, and eventually ultimate success. It is always special when you come together in events like this, no matter how long it's been, not only to relive the fond memories but most off all the respect and bond that is cemented within the group that is everlasting

Looking forward to when we meet again, we're thinking now at our age once a year 😊

Youth Girls 2024

Troy Fish

What's in the water?

Season 2024 for the East Fremantle Youth Girls program marking the continued success in the alignment of the Rogers Cup and League female pathways. The second season without a reserve competition, the youth girls program has been strategically designed to fast-track the development of homegrown talent, preparing these athletes for senior-level football equivalent to the male structure of the reserves and league programs.

This year, five under-18 players made their senior debut, a remarkable achievement that speaks to the program's focus on elevating young talent. Additionally, nine youth girl-eligible players representing East Fremantle in the WAFLW league grand final in July, showcasing the strength and depth of our pathway.

The journey began back in October 2023 with 58 girls invited to trial, eventually forming a final squad of 40 Perth-based players, which included 10 Mid-West Academy athletes. The Athletes trained with the senior squad until the Christmas break, to allow for an insight into league football and the standards required in a high-performance program.

Throughout the season, 47 players proudly wore the white and blue at the youth girls' level, with 21 making their debut. These opportunities provided invaluable experience for the athletes, with a further 12 players training with the seniors in preparation for the 2025 season.

The 2024 season was filled with moments of brilliance, teamwork, and exceptional growth. Over 16 rounds of home-and-away fixtures, the team demonstrated their skill and determination, making it to the preliminary final before being narrowly defeated. Ava Anderson capped off an outstanding year, earning the Fairest and Best award, while Olivia McCay was a close runner-up and claimed the Best First-Year Player. Nevaeh Hill topped off the big move to Perth with the Midwest Player of the Year and Kai Clucas was recognised as the Player's Player. Cartia Zumpano rounded out the awards with the player of the finals.

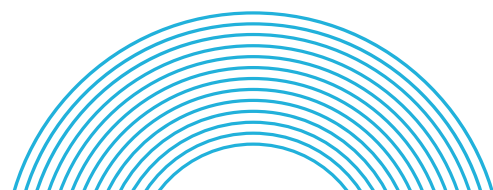

The youth girls program measures its success by the number of athletes it produces for AFLW, state, and league football, and 2024 was a shining example of this. This year saw 7 players selected for the State 18s, 2 for the State 16s, and 2 for the State 15s, while 5 players made their league debut. Additionally, we celebrated one All-Australian selection, one AFLW Academy member, and 4 AFLW Draft Combine invites - a testament to the high calibre of talent coming through the ranks.

The program extends beyond its players, with all 3 assistant coaches gaining valuable development leading the program for a week including the role of head coach. This development included game review, recovery, player feedback, training plans, focus areas, player load, selection committee, alignment with the senior coaching team and match day duties.

As I always say, "It takes a community to raise an athlete," and on behalf of the entire coaching team, we extend our heartfelt thanks for the time, support, and effort invested in season 2024. To the 21 players moving on to senior ranks, we wish you all the best for the next chapter. You'll always be part of the Shark family - stay connected, and don't be a stranger! To the 19 returning players, we can't wait to see you back on the field, eager to impress and earn your place in the 2025 squad.

Here's to a bright future—stay safe, and we'll see you soon!

Another challenging and rewarding year has come and gone.

A very big thank you to our committee for their work ethic and support. They are an incredible team and have certainly made the role as President a lot easier. Also, given that we have been without a home ground for yet another year and we were utilising the Western Australian Cricket Ground (WACA) 2022 and 2023 as our base.

In 2024, we had to utilise six different home grounds which made organising our half time functions difficult to coordinate and set up.

This committee had continually provided support to the East Fremantle Football Club (EFTFC) and its members.

The EFPPOA continued to support the half time home game function by providing food and beverages. However, this couldn't have been achieved without the support and assistance from our key sponsors who are: Total Foods and all the wonderful sandwich makers.

I would like to take this opportunity to thank each and every one of our sponsors for without your support we would not have been as successful.

The EFTPOS reader tap has proven to be a valuable asset to our committee and makes collecting funds more accessible.

A very big thank you to all the volunteers as you are truly amazing and very supportive of the EFPPOA activities. In particular Dot and Maria who provided a cooked lunch for all the meetings.

Major fund raiser once again was the 100 Club. Five draws were conducted. Thanks again to our sponsors who provided the food for those five draws. Congratulations to all the prize winners. Sponsors were: Total Foods, Fremantle Lobsters, IGA South Fremantle and again our wonderful sandwich makers.

One players teas was held this year for our senior's lists, and it was successful. We hope to continue this trend in 2025 at our upgraded home ground for EFFC.

EFPPOA membership was up down from 2023. The PPOA recruitment drive will continue in 2025 and hopefully we will attract a few new members given we will be back at our home ground.

Congratulations to the Men's and Women's teams for an outstanding season by both teams. To the East Fremantle Football Club, Coaches, Staff and Players. Thank you for a job well done.

I would personally like to thank the most important people in our club – the volunteers and there are so many of them to mention. Without their continued support and dedication to the East Fremantle Football Club, this committee would not be as successful as it is. The men and women who give up their time to help out – a very big thank you. You have all done an amazing job and I so look forward to 2025 when we are back home at East Fremantle Oval – Shark Park.

Let's look forward to another successful year ahead.

Hey Hey It's Friday Night

Robert Santaromita

Hey Hey it's Friday Night has been an ongoing activity for nearly three years and it has been a fantastic way to continue to support the East Fremantle Football Club (EFFC).

I was given the opportunity to coordinate this activity 32 months ago and I know it has taken some time and a lot of hard work but it is finally fully functioning.

2023/2024 was very challenging due to not having a permanent venue to house our Friday night shows. We started at the East Fremantle Bowling Club, but had to move due to their facility being bulldozed to accommodate the new facility.

A move to the RSL Hall in Palmyra was next, again not successful, so we had to move again and found a new venue at the Fremantle Park Community Club, unfortunately they were unable to accommodate us each and every Friday night, so we decided to also utilise the Fremantle Italian Club.

However, as from 30th April 2024 Hey Hey it's Friday night has ceased fundraising for the EFFC. This is due the new facilities at the EFFC not being able to accommodate this function into the future.

For the last few years whilst we have been nomads we have still managed to raise over \$14,000 to support the EFFC. However, the Fremantle Italian Club will be responsible for the function and these shows are all year round.

To all the venues utilised in 2023/2024 thank you very much for your support. It has been greatly appreciated. To all the venue's management and staff a very big thank you.

A very big thank you to our Hey Hey It's Friday night family who come along each and every

week (no matter which venue) to dance the night away. Thank you so much for continuing to support the EFFC. We have made so many more friends this year and hope 2025 will be even better and more new friends will come along to join us.

The bands and singers who come along each week to sing and perform their hearts out to us. Thank you so much. You have become great friends and we hope you will continue to support us again in 2025.

To the volunteers who help each and every week such as: Cassie, Neil, David, Nathan, Justin, Dot, Kevin, Bill and Tunichi. Thank you so much. Your help each and every week, by setting up/packing up the venues and selling the raffle tickets. Thank you from the bottom of my heart, I couldn't do it without you and it wouldn't be as successful.

To my wife Maria, who support is unwavering. Maria I would not be able to do the things I do without your help. Thank you so much.

A final thank you goes to our sponsors, who donate an array of gifts or prizes for our raffles. Your support is invaluable and because of your generosity, we can continue to raise the funds to pay our entertainers and venues. Sponsors include: Retrovision (O'Connor), Geraldton Fisherman's Co Op, IGA South Fremantle, Sumich Group, Bill Cromwell, Scott Spalding, Berrigan Bar and Bistro, and East Fremantle Football Club.

From me personally, I would like to thank each and every one so much, you are all amazing and so supportive.

This is a great gig and you welcome to join us in 2025 at the Fremantle Italian Club.

WAFLW Year In Review

Ashleigh Gomes

Season 2024 didn't exactly start the way any of us would have wanted, nor thought in the women's program. We were without a coach for a portion of preseason, so it was definitely challenging and difficult to find the motivation within the group as we had just come off such a major high of winning the premiership. The resilience and unity that the group showed throughout the unknown stage of 2023/2024, is something I'm incredible proud of. Personally, I knew if there was anyone that could bring this club and team back together, it was a great friend, mentor and coach who we were fortunate to have in our 2022 season, Matt Templeton. We caught up at the local pub and yarned for a few hours. Eventually, I think we both were on the same page by the end, and that was, that he would come back and coach us. Once I knew Tempo was back on board, it felt like everything was slowly coming back together – the group was becoming more united and confident as the weeks of preseason went on with everyone knowing we had someone like him coming back into our program.

This year, like last, we had to adapt but for many different reasons.

Unfortunately, we were on the road again, but the group continued to be resilient and were able to overcome any and all challenges that came our way. Despite everything that we had to overcome, we were still able to secure minor premiers and making it into the grand final. I am beyond proud of our group and I know you as supporters are too. This season was filled with incredible moments with so many of our young stars shining bright this year with multiple girls being represented by their state in the U18 competition as well as some of our senior players featuring in the first inaugural WA vs SA State game. Tash Entwistle was a name I had mentioned at our 2023 season launch as a player to watch out for, and I personally think this was one of her best seasons and was a rock in our backline. I hope to see her drafted along with our other talented stars in Zippy Fish, Tiani Teakle and Taya Chambers who all featured at the National and State Combines. We made some huge strides with our Annual A Team Game against Subiaco by hitting a new record of money raised for the TBC1D24 Foundation. East Fremantle managed to retain both the Pride and Derby Cup from South Fremantle.

Unfortunately, we fell short to Claremont in the grand final by 3 points. As hard as that was at the time, reflecting now, I know the worlds got bigger plans for us. We will regroup and come back more united and relentless than ever. Our flair will be unmatched. Goodluck to the competition next year because we are coming hard for what's truly ours, the premiership.

Make sure you come down and support the women this year starting end of March.

2024 East Fremantle District

Jordan Hancock

Throughout 2024, the East Fremantle District has been involved in many different ventures including Auskick, Rookie Series, Starkick All Abilities, School football, Junior football, AFL Nines, Superkick, Coaching, Umpiring and we have seen a continued growth of female football within the district.

The 2024 junior competitions consisted of the East Fremantle District Modified Divisions (years 3 - 6) and the Fremantle Conference Divisions (year 8 - 12). There were 25 grand finals played, 32 of the 50 teams competing came from the East Fremantle District. Out of the 25 grand finals, 18 premiership teams came from the East Fremantle District. Big shout out to the clubs and volunteers who made the finals series possible.

“Big shout to the clubs and volunteers who made the finals series possible.”

It has been great to really promote football and the club amongst all the schools within the District, with 82% of schools, both primary and secondary, participating in programs and competitions. AFL Nines has been running at Cockburn again, having a Men's and Mixed competition. Whilst Superkick has run all year at Forrestdale JFC.

There has also been lots of unique opportunities for Little League half time representation at all our home games at the various venues we played at. Including the opportunity for girls from the East Fremantle District to participate in the game day proceedings at Pentanet Stadium for the 2024 WAFLW Grand Final. There was also East Fremantle district clubs who participated in half time activations at Optus Stadium.

The annual East Fremantle District Auskick Gala Day hosted at Rossmoyne Junior Football Club was a hit as usual. There were over 100 teams in attendance, with all 15 Auskick centres within the East Fremantle District represented.

The Festival of Footy also saw year 2's from East Fremantle, South Fremantle and Peel Thunder participate in a round robin carnival fixtures. This is to prepare them and transition them from Auskick into Junior football. This event was hosted at Brentwood Booragoon JFC and was a great day. East Fremantle had 25 teams represented on the day.

This years Nicky Winmar and Kirby Bentley Cup was held in October at UWA sports park. The day is to increase the amount of Aboriginal and Torres Strait Islander youth and community members participating in clubs and development squads as either players, coaches, umpires, administrators, or volunteers. This year saw East Fremantle and the Peel Districts merge to field teams in both competitions.

A massive thank you to everyone who had any involvement in assisting with the 2024 season. In particular, the junior clubs and their committee members for their ongoing commitment and hard work every year. A huge thank you to all the players themselves, it has been fantastic to witness so many young girls and boys playing and enjoying this great sport they love at their local community clubs and schools.

Very excited and looking forward to what the 2025 season has in store for us. Fins Up!

GNFL ZONE

Con Tripi

The East Fremantle Football Club (EFFC) has made significant strides in talent development within the GNFL Zone, particularly through its Colts and women's programs. Under the leadership of our talent manager Harry Taylor, renowned for his impressive AFL career with the Geelong Football Club who was a junior talent from Northampton football Club before arriving at East Fremantle Football Club as a young Colt player .

Harry has Led our Mid West GNFL Zone Talent Program with dedication to developing players for East Fremantle Football Club and fostering talent in the Mid West region. Harry Taylor's extensive experience has been invaluable in guiding aspiring young talent , focusing on skill development, teamwork, and sportsmanship.

The efforts of the talent program have yielded notable results, with several players emerging from the program to join the EFFC Colts and women's teams for the 2024 season. This pipeline of talent is a testament to the effectiveness of the development initiatives in place.

The GNFL Grand Final held in Geraldton was a resounding success, attracting over 3,000 spectators, showcasing the enthusiasm and support for local football. Key highlights include:

Colts Division

Mullewa demonstrated exceptional skill and teamwork, clinching the championship once again and displaying the depth of talent in the league, coached by Mick Wall .

Reserves Division

Brigades emerged victorious, adding to the competitive spirit of the weekend , coached by Murray MCCartney .

Women's Division

The women's final was a thrilling encounter, with Towns Football Club securing a hard-fought win, highlighting the growth and competitiveness of women's football in the region, coached by Jessica Giudice - Nairn

League Division

Chapman Valley Football Club celebrated a historic victory over Brigades Football Club , marking their first grand final win in 32 years. This achievement resonated with the local community and showcased the passion for the town , coached by former East Fremantle league player Jayden Schofield

The success of the season would not have been possible without the support of key individuals and stakeholders. Special thanks are extended to one of our Patrons Steve Waller, John McManus past president , and Bryan Cousins for their commitment and presence throughout the season, embodying the spirit of the Sharks.

The East Fremantle Football Club's GNFL Zone Talent Program, under the guidance of Harry Taylor, has made remarkable progress in developing young talent for the future. With a successful season culminating in a vibrant Grand Final in Geraldton, EFFC is poised to continue its legacy of excellence in the Mid West region, ensuring that the passion for football thrives for years to come.

Futures

Like the colts program our futures kicked off in late November. After a long and warm summer, the group were ready for some game play come mid-March.

The carnival consisted of 9 games against various WAFL clubs. It was pleasing to see the boys develop their playing skills and knowledge over the program, to a standard where they were successful in most of their games. The teamwork, game style and commitment to each other during the games was outstanding and there is no doubt the way the boys combined was evident in their on-field performances.

I would like to thank all the coaches and support staff for their efforts and commitment to the program. James Depane was a passionate Head Coach who was very committed to the role and developed not only the boys but his fellow coaches to the highest of standards. James was ably assisted by Tony Yerkovich, Tony Urquhart, Luke Wilson as line coaches along with Spencer Grebe, Ashley James and Ian Hanson. Thanks also go to Alice Congdon (S&C), Feisal Zaw (Physio), Joel Rusden (Runner) and Kayla Kwok (Head Trainer) for their commitment and devotion to the program.

Congratulations to Kye Ormerod on winning the 'Harry Taylor Medal' for the fairest and best player of our program. I would also like to congratulate Kye, Joshua Nathan, Cooper Ramsay and Dylan Connelly for their state 16's selection.

I look forward to watching the whole group return as they trial for our 2025 colts playing group.

15's Development Squad

Our 15's squad commenced training in May and continued through to early July.

The 15's program gives the players an excellent opportunity to build on their 14's carnival, along with new additions to the squad getting their first experience in our talent programs.

Training was well organised and focussed on our key development points over the weeks training allowing the boys to go into the games with the ability and confidence to perform well.

The July school holidays saw us travel down the freeway to play against Peel in a couple of hard-fought matches, Game 2 we played Perth at Mineral Resources. Over the course of the games our boys combined to show some great team football, linking up very well and working hard for each other.

The boys were lucky to have some great coaches involved including Ashley James as head coach, ably assisted by Dom Madaffari, Tony Yerkovich, and Fabian D'Agnone. Also, a big thanks to all other support staff who assisted throughout the program.

The boys will now prepare to return and trial for our 2025 Futures program.

14' Development Squad

Our 14's squad came together in early August training two nights a week at Karoonda Reserve.

An induction was held before the first session welcoming both players and parents to the program and outlining the journey ahead both for the short-term program and the longer-term pathway as a future East Fremantle player.

After several weeks of training including numerous drills concentrating on decision making, ball winning ability and skills focus, combined with some intra club games the squad started to focus on some game plans and structures in readiness for the games ahead.

October school holidays finally arrived, and the boys were ready to play. Our first game was against Peel with both teams competing well against some strong opposition. Game 2 seen us come up against South Fremantle. As always in a derby the teams were evenly matched and both games had some excellent skills on display. It was pleasing to see our teams executing the game styles that they had been learning over the previous weeks at training.

Thanks to the dedicated coaching staff of Spencer Grebe, Amber Kinnane, Rhys Jones, Trent Farmer, along with several development coaches (Brent McMeikan, Amanda Ingraham, Kane Simmons, Clint Davies).

All coaches contributed their own valuable time and effort to ensure a successful program was very well run.

The boys will now take a well-earned break from a long football season, and we will see them return next year as they continue the pathway with East Fremantle Football Club.

I would like to thank all those involved in making it a successful and enjoyable 2024 season. I would like to acknowledge and thank the Board of Directors and Addy Wetzler.

I would also like to thank Brad Dodd, and Tessa Daly /Darcey Meyers for their assistance and guidance on all things football. Also, a big thanks to Nick, Taryn and Dee for their help and support over the last twelve months.

In closing, I would like to save my final thankyou to my wife Tania. You are always willing to work around the odd hours that my role offers, support me when required, but most of all you are there when needed.

Bring on more in 2025.

MidWest Sharks

Beau Walker

The Mid West Academy of Sport (MWAS) Football Program was rebranded as the MidWest Sharks in the 2024 season with the continued support of both the East Fremantle Football Club and MWAS.

Included in the program are players eligible for the Colts and Futures (16's) squads, whilst the Under 15's (Shark Pack) acts as our main feeder group.

Throughout the running of the Midwest Sharks in 2024, we had a strong development year as we looked to establish strong foundations for future growth.

The MidWest sharks commenced training in late November 2023 and we had completed numerous sessions prior to Christmas. Todd Teakle oversaw the Sports and Conditioning of our program to ensure our boys were in their best physical shape, including taking the warm up and conditioning components of training sessions, as well opening his gym up for our players. In January 2024, the East Fremantle Colts came up to Geraldton for the third consecutive year and completed a camp with our Colts aged kids based in the Mid West. This was once again a huge success and beneficial for familiarity and unison. The camp included a combined training session, practice match, delivery of expectations and examination of the game style. We were able to showcase several of our Mid-West based players as potential East Fremantle Colts players. This resulted in further opportunities for our boys to head down to Perth and play in Pre Season matches. Throughout the 2024 season proper we had four players go down and play for the East Fremantle Colts including Riaz Mohammed, Lucas Ronan, James Simmons and Michael Horsman. Each of them was given a chance to showcase their talents and put their best foot forward. They received verbal and directional feedback from the coaches and also reviewed their footage on HUDL. Thank you to Colts coach Sam Mainwaring for these opportunities, his support and open line of communication throughout the year.

The Global Civil and Mining Shark Pack, whilst not directly involved in the Midwest Sharks is the primary feeder group from which new players are selected for the following season.

The 15 year old and under players that represent the Mid West region in the Shark Pack play a multi day carnival against other zoned regions of WAFL clubs. From this as well as observation throughout the Great Northern Junior Football League (GNJFL), players are then selected to enter the MidWest Sharks Program for the following season. The Shark Pack is for many young footballers their first real opportunity at representative football. The Shark Pack was coached this year by Stuart Gerreyn, who is also an assistant coach for the older age groups in the Midwest Sharks. The group had a successful carnival, winning all games and showcasing a wide array of talent. We look forward to preparing some of these boys to go down and play Futures football for East Fremantle in 2025.

I would like to thank all those that have assisted in the undertaking of the Midwest Sharks this season. Our assistant coaches Harry Taylor and Stuart Gerreyn have been fantastic educators throughout the season and their support is greatly appreciated. Thanks to Clinton Bolton for his work as the club's Indigenous Development Officer in the MidWest. Darren Winterbine, the CEO of the Mid West Academy of Sport has been of great support throughout the season, as has Todd Teakle from MWAS and Central West Health and Rehabilitation. David Depane has contributed strongly to the direction of the program and his input and support has been fantastic. Thank you to all the East Fremantle coaches and support staff for making our players feel at home and furthering their development with your knowledge. Thank you to the Great Northern Football League and Great Northern Junior Football League players, coaches, volunteers, administration and support staff for their support throughout the season and all of the participating clubs. Thank you again to the fantastic parents that commit themselves to supporting the Midwest Sharks program. Last but not least, thanks to the players for an enjoyable season and we'll see you again shortly with Pre-Season just around the corner.
