PRESIDENT'S REPORT

This is my first annual report to members for what has been a chaotic year in terms of managing the most successful football club in Western Australia.

It was not about stepping into a well-run WAFL club and continuing its momentum of doing great things on the playing field and adding to our long history of success.

It was about taking what the EFFC represents with its 127-year history and reestablishing it in modern times. This was not easy in a new facility where our priorities had not been top of the developers list.

Other WAFL clubs have faced the same challenges and have survived and thrived. There was West Perth FC who 31 years ago, shifted from Leederville oval to Arena Joondalup, fell into Administration, came out and are now a very successful Club. Subiaco FC, and East Perth FC, moved to Leederville Oval 21 years ago in shared facilities and have done well on and off the field.

Claremont FC, moved to the Claremont Showgrounds eight years ago for three years whilst their aged facility received a makeover. They returned in 2017 to the Revo Fitness Stadium designed to attract clientele from the wider community, including modern gymnasium, physiotherapy and medical suites, café and other commercial tenancies.

OUR TURN

Our turn came about 4 years ago with the redevelopment of the EF Football precinct. We moved to Wauhop Park using EF Tricolore Soccer Clubs old premises. Our men and women's teams played and trained around the suburbs. The men's senior teams mainly used the WACA in East Perth for home games, which was very costly in all aspects including lack of sponsor value.

However, it was not all bad as our senior Men and Women teams won grand finals in 2023, and our Reserves won the Grand Final in 2024.

WHAT HAPPENED

The EF oval sits on an A Class reserve which was vested by the Crown in 1906, as a sporting precinct, for Aussie rules football, lawn bowls, croquet, and tennis. Tennis grew quickly and in 1963 was moved to Petra St., East Fremantle.

This A Class reserve is managed by the Town of East Fremantle who last renewed the lease for the Club about 20 years ago. The Town of EF decided to upgrade the aging sports ground and develop a modern multipurpose community facility. For this purpose, the Town of EF received grants, from the WA Government of \$25,000,000, and from Lottery West of \$1,300,000. They also obtained a loan from WA. State Treasury for \$7,000,000.

Hence the Town of EF invested about \$33.3m in the precinct which it called the EF Community Park. The objective was to build a modern integrated multipurpose sporting facility for use by all members of the community. It is to be a hub for sport leisure and social gatherings.

On completion the Precinct was leased to Belgravia Health & Leisure Group Pty Ltd, for 5 years plus 5-year option. They have control and management of the precinct under supervision of the Town of EF.

Chavani, ENNIO TAVANI PRESIDENT

The EFFC was offered a sublease under the same terms for the change rooms and the upstairs office. This was signed in October 2024.

The negotiation for this lease became bogged down as the Club could not agree with the facilities and the terms that were being offered. Eventually the State Government, through the Department of Sport stepped in and helped to reach a settlement.

Naturally, for negotiations to be so protracted, there were serious matters that the EFFC could not see being resolved for the sustainability of the Club. The Club had used all its financial resources without a home base for 3 years and could not afford to contribute to any transformation costs to a new facility.

The State Government involvement included a financial assistance package of \$340,000 to assist with moving in costs of which half was paid on signing of the agreement.

There was no scoreboard at the Oval, and the Town of EF also provided a \$50,000 contribution for this item.

MOVING IN - IN 2025

The new Board started in December 2024 with a new CEO in Adrian Bromage and commencement to move the Club into its new premises, and address all the challenges.

There were many, and they arrived daily. It was like moving into a new house and trying to make it a home. There were some things that are great and loved, some things that need to be changed and some things that have been completely missed and need to be regained.

The mandate was to transition the Club into its new premises and make it a "home" as best as could be done and engage our men and women athletes to play competitive Aussie Rules Football from an established home base.

In the first three months the place was like a construction site. It was a very bare place. No signage, no scoreboard, little furniture, no reception, no place to display memorabilia, no sound system, stark player change rooms, and no idea what to expect in terms of members, supporters and sponsors, and how to accommodate them.

The job started with having to get Council approvals for site works, and signage, and then sourcing and erecting the scoreboard, the marquee, the temporary grandstand and the fit out to the office and change rooms, and the installation of the sponsors signage on the oval fence.

Looking back now, it has all been done, and a great thanks needs to be given to all the members and supporters who chipped in and helped. To Con Tripi, Steve Miguel, Angelo Cuccovia, Mark Amaranti, Gary Foster, Steve Nugent, Rex Townsend and Mick Jez.

A BIG HURDLE

This was to settle the License Agreement to use the oval and other precinct facilities for training and home games, and the signage approvals. This took 7 months to complete and thanks to Board Member, Jonathan Stagg who led the process.

The approval for the use of the digital scoreboard for advertising and the signage on the building was only received in November this year.

Our hurdles are not over yet, as there are many items that are not finished and need dedicated attention to complete. However, the talent is assembled to deal with the challenges as they arrive and will be dealt with efficiently.

WHAT WAS ACHIEVED DURING THE YEAR.

- The Brindle Family came on board as the main sponsors to the Good Grocer Park and gave the Club an amazing
- The digital scoreboard was erected and commissioned
- The member and supporter facilities of a marquee, and temporary grandstand were erected and operated well
- The reception area was set up in the office with a small well-presented display of memorabilia
- The INTIX system for membership and online ticketing was installed and rolled
- About 80 sponsors were re engaged with new packages, and their signage installed on the oval perimeter fence
- The communications to members and supporters was improved with
 - Social media posts on Instagram and Facebook, which reach about 100,000 per month
 - Email news letters that reach about 6,000 people per week
 - A new website with all of the EFFC information
 - Game day announcements on our sound system.
- About 2,220 members were enrolled, which is an increase of about 500 members from last year
- Sold over \$100,000 of Club merchandise
- Hosted the Regional Talent Carnival which included our Mid-West Teams
- Hosted the AFL club, North Melbourne for their training when they played the Dockers in Bunbury.
- The senior men's team played 10 home games and one elimination final which drew 5,800 people to the Good Grocer Park. This was the greatest attendance number for a WAFL game at a club ground in 2025.
- The senior women's side also played 8 games at Good Grocer Park and was well supported.

THE CLUB FINANCES

The year started with a cash deficit and with the support of main sponsors and gracious suppliers the Club was able to financially manage its operations.

The biggest challenge came from the capital works program which the State Government had underwritten with a \$340,000 finance package to build the scoreboard, capital fit out and temporary grandstand and marquee.

These capital works were all completed early in the season, but the cost was \$657,544. As part of the acquittal process the State government was asked to make up the shortfall and a further amount of \$218,000 was provided in October 2025. Also, the Town of EF contributed \$50,000 towards the scoreboard cost.

These funds were sufficient to meet cash payment requirements due to payment plans that were established with the Tax Office, Belgravia, Town of EF, WAFC, and ID Athletics, which amounted to \$458,000. Only \$360,000 of this amount falls in the 2026 year.

The budget for 2026 has been settled with cost control and increase in revenue being the core requirements and shows a net operating surplus of \$325,000.

Hence the financial position is now clear. It is not guaranteed, but the Club knows its financial boundaries and what it must do to survive and thrive.

THE IMMEDIATE FUTURE

The 2026 year will be about football on the park. Without the facilities distraction the Club will be able to focus on developing its playing strengths across all grades and achieving the highest possible results

The facilities under Club management with the great team of personnel will provide our athletes every opportunity to achieve their dreams dressed in blue and white colours.

Every effort will be made to develop the facility to be our spiritual home continuing our legacy.

OUR PLAYERS, OUR STRENGTH

Our passion on the park was evident with the great playing performance from all teams.

The senior men's, women's, Colts, and Rogers cup team, all made finals. The results were not what we hoped for. The players are congratulated on their performance for the whole year.

The Colts had a great year ending up second on the ladder with congratulations going to

- Tom Grylls winning the Jack Clarke medal, for fairest and Best in the competition.
- Kaiden Summerell winning the Len Anderson medal, and the Coaches award for best player of the year.

The boys futures program is in good hand as evident with only one loss for the season. The Girls 14&15 's program has produced a lot of talent which show great prospect for the future.

Our football department is capably led by GM Shane Woewodin, and with his senior team of David Depane, Darcy Meyers and Bill Monaghan provides energy and vision which positions the Club well for an exciting and successful future.

THANKS

In conclusion I would like to thank all the people who have contributed in what was not a normal year in the life of the Club but is the start of a new facilities paradigm.

Thank you, thank you, thank you, thank you.....

- The staff who kept the wheels turning.
- The players who turned up in Club colours made us all proud of their efforts on the park
- The player coaches, trainers, advisors' supporters, mentors. Your guidance makes them great.

- The Board of Directors and CEO Adrian Bromage. A great team who handled the chaos.

We circle as one, see you next year.

CEO'S REPORT

A Year of Return and Renewal

It is a privilege to present my first CEO Report for the East Fremantle Football Club. The past year has been transformational — a period defined by return, renewal, and reconnection. After three seasons away from our spiritual home, coming back to Good Grocer Park has been a defining milestone for everyone at the club. The facility represents far more than a building; it reflects our ambition, identity and future direction.

Our People - Board, staff, coaches, players, and volunteers — continue to be at the heart of East Fremantle. Their resilience and commitment during a year of immense change have brought strength and stability to the entire organisation. Returning home allowed us to reconnect with past players and life members whose legacy continues to inspire our direction.

2025 brought significant operational challenges and opportunities as we established new systems, activated the precinct, completed signage and capital works, and built the day-to-day operations of a new facility. Through this, the club has emerged stronger, more organised, and ready for its next phase of growth.

Culturally, we are placing a strong emphasis on communication, collaboration, and accountability. With new leadership roles across the club, we are building a united, value-driven environment where people feel supported and empowered. This work will underpin our future success both on and off the field.

Reconnecting With Our Community

One of the most powerful outcomes this year has been the reconnection with our members, supporters, volunteers, and past players. Crowds returned in great numbers and the community energy around the club reignited.

Membership grew by more than 500, and the sense of belonging that defines East Fremantle was unmistakable throughout the season. Our commercial partners played an essential role in our growth. The Good Grocer came on board as our precinct partner, providing a strong foundation for our commercial model, while Carnaby's helped elevate our hospitality and match-day experience. We also strengthened one of our most significant long-term relationships through the AOS / New Choice partnership, led by Club Patron and long-time benefactor Ray Meadowcroft. whose onaoina commitment continues to underpin our strategic stability and football programs. In addition, we welcomed Maddington & Canning Vale Toyota as our new car provider this year, adding another valued partnership to the East Fremantle family. Importantly, more than 80 sponsors renewed their commitment in 2025, demonstrating the deep loyalty and belief that exists in the club's direction as we build this new era together.

Adrian Bromage

Football Excellence and Development

On the field, our focus remains uncompromising: to pursue excellence in all programs.

East Fremantle has a long and proud football history, and with it an expectation of high performance — we are a winning club, and we do not settle for being merely competitive. While results varied across grades this season, we continued to strengthen the core foundations of our football program through investment in coaching, talent development, leadership, and player welfare.

Our men's, women's, and talent pathways remain central to who we are. We are committed to providing environments that support players to grow both as athletes and as people, reinforced by important wellbeing partnerships including Peak Performance, the Kai Fella Foundation, and the chaplaincy support provided by Charlie Ricciardo.

Building for the Future

Beyond football, the year has been about positioning the club for long-term sustainability. Financially, the club stabilised its position through strong sponsorship performance, increased engagement and consolidated operations. Our new home provides the platform to diversify our revenue, activate the precinct in new ways, and continue expanding community engagement.

Our focus now shifts from "returning" to "building." This includes strengthening governance, modernising systems, planning with foresight, and ensuring we have the structures needed for long-term success. We are laying the foundation for disciplined financial management, stable operations and strategic growth.

This season has demonstrated the enormous potential of East Fremantle Football Club. With a magnificent new facility, a united community, a growing membership base and a renewed sense of identity, we now look toward the future with confidence and ambition.

Thank you to everyone who played a part this year — our board, staff, coaches, players, sponsors, volunteers, families and every supporter. Together we've laid the foundations.

We are East Fremantle. We are proud. We are united. And we are building the future — together.

MEMBERSHIPS 2025

Finally we have returned home to Shark Park and from a membership point of view it was a huge success with an overall increase of close to 500 members compared to last year 2024.

There are several reasons for the increase in membership numbers;

- 1) The special discounts from our great sponsors (listed in the report).
- 2) The open policy with no fences, where the public can come and go. We have a playground, skate park and basketball courts. Members have also enjoyed sitting on the grass banks (something we haven't seen for a long time). Carnaby's Cafe, Bar & Restaurant provides game day food and drinks, plus food stalls around the ground.
- 3) We have more families and children coming to game days which is a huge benefit for football in the future. The community has certainly embraced the new environment and as a club we must develop this in the coming years. Our aim is to convert those families into becoming members.

- 4) The benefits for members:
- The Good Grocer 15% discount on all purchases at their stores during the football season.
- Carnaby's Cafe, Bar & Restaurant 10% discount for all food and drinks (year round).
- Left Bank meal deals Buy two main meals receive 50% discount.
- 10% discount on Club Merchandise (on items over \$50 in store).
- Autobahn \$100 discount on your Car Service (selected outlets).
- 10% discount on food and drinks at Carnaby's Restaurant when hired for functions such as Seminars, Conventions, Workshops, Weddings, Socials, Birthdays, Wakes etc.
- Jewellery Gift Emporium in East Fremantle, 20% discount.

Major increase in membership numbers;

PREMIERSHIP REUNIONS: 1925, 1965, 1985

1925: 100 years ago we played Subiaco in the Grand Final and the result; East Fremantle 10 goals, 10 points, defeated Subiaco 6 goals, 7 points.

In 2025, 100 years later, we played Subiaco at East Fremantle Oval on the 26/04/2025. The result; East Fremantle 14 goals, 16 points, defeated Subiaco 10 goals, 10 points.

The current players wore the jumpers that were part of the uniform in 1925. The past players names were on the jumpers and were in the position they played in 1925. Impressive design in 1925.

The club was very fortunate to find most of the 1925 next of kin who were entertained at the official luncheon. They were presented with a 1925 Premiership colour photograph.

For more than 60 years the club was missing the 1925 Premiership photo (just about giving up, as we believe it was not taken in 1925). The club must thank John Jarvis (son of Bub Jarvis) who found the photo in his garage. We were thrilled, as was the WA Football Commission.

Bub Jarvis played from 1924-1937 a total of 163 League games, and he played 5 winning Grand Finals. He won the Lynn Medal in 1934 and was named in the East Fremantle Football Club "Team of the Century". Bub Jarvis was an outstanding player and won many other awards.

The club is extremely proud that we have all of our 30 Premiership photos in place.

Thank you to Darryl Cormack, who did a lot of work with the 1965 Grand Final Reunion and George Christie with the 1985 Grand Final Reunion (see separate report).

Membership Committee; Special thanks to our hard-working volunteers who manned the membership stand all year, which of course was another reason for tremendous increase in member numbers. Apart from memberships, they Raffle Tickets Football Budgets, and information. The provided general volunteers included Gino Divitini, Rod Brown, Alby Huts, Nathan Rowlands, Angelo Cuccovia, David Edmondson and Lynette Smith.

Thanks to our Administration Staff who did a splendid job of navigating our new membership system. They were Selina Sterker, Anna Milne, Nicholas Jackson, William Kennedy and Taryn Priestly.

To all our members, thank you for your wonderful support. Our new challenge for 2026 is a target of 3000 members. We look forward to your assistance. Thank you all.

GO THE MIGHTY SHARKS!

FOOTBALL OPERATIONS REPORT

After 3 years being nomadic without a home, we were officially back to Shark Park. Later to become The Good Grocer Park. It has been well documented the difficulty that was being away from home, but as preseason started and got going you could see the elation on everyone's face to be back at our home. Although not complete entirely aesthetically, the fact the players had a change room, showers, and the ability to stay back and have conversations was sorely missed.

After a disappointing elimination final defeat to Claremont back in September and after some quality time away, the group was eager to get back into training and see if they can go deeper into September and achieve our 31st premiership.

Recruiting wise we obtained Jack Avery from Perth who had already player 44 games, a quality defender who wanted a fresh start and would add another dynamic to our back half. Luke Strnadica returned from a stint away and was eager to put his best foot forward. James Spadanuda returned from his stint on loan at West Coast Eagles and we acquired Austin Hodge from Victoria who had played some VFL football with the Western Bulldogs in 2023.

Out of the squad from 2024 we had lost a lot of depth, great club people and some valuable premiership experience. A total of left the program. plavers had Irreplaceable skipper in Matthew Jupp who had announced his retirement, highly experienced group of Blaine Boekhorst, Dillon O'Reilly. Luke English, Josh Schoenfeld. Fraser Turner. McDonald, Ben McGuire, and a host of players who had decided to step away and play at other levels or at other clubs. We thank them all very much for their valuable contributions to the EFFC.

We had started training back at our home of East Fremantle and spent some training sessions at Cockburn ARC post Xmas as our ground was still new and needed time oB it. Like to thank Adrian Lacquiere from the FFC to allow us access to their ground whilst we spent time away. All our gym sessions were done at our new club rooms at the GGP.

We started the season well with a win over West Coast in round 1 at home as we unveiled our premiership flags from 2023 League, 2023 women's and 2024 Reserves. First opportunity to do so since our redevelopment. Only to come down with a thud the following week in a poor loss to Claremont at Revo Stadium.

From rounds 3-8 we went on a 5-game winning streak and played some good footy to set up our season at 6/1 going into the WA derby against South Fremantle in round 8. On a wet day at Fremantle oval, we lowered our colours to South who skipped away with a 54 point win and claim the win. We bounced back with a strong win against West Perth after an honest review from the coaches. After a well-deserved bye we fell away on return with some injuries and poor form in a 3-game stretch of losses. Another bye came in round 14 before we finished the last 6 weeks of the home and away 4-2. We finished the home and away season in 4th position to claim a home elimination final against Perth at GGP in front of a crowd of nearly 6000. Unfortunately, it wasn't to be after a strong start and Perth ran over us with a 29-point win.

There are a lot of people to thank who put in a lot of time and eBort across a WAFL season. To our senior group of coaches in Bill Monaghan, Craig Smoker, Adrian Ricciardello, Joe Comande. Our development team of Spencer Grebe, Paul Hansen, GeoB Barry, Paul Mews, Adam Dancey, Scott Howie. To Harry Taylor for his tireless work in the Mid-west and his leadership support to our leaders of our club.

To our support team of Kane Lucas, Brad Dalziell, Craig Anderson on the bench. Our High Performance team of Dan Barry and Imogen Harris, our medical team of Dr Gareth Carroll, Marina Torres and Brooke Elliott (Physios), Garrick Dale (head Trainer) and his team of trainers. Our time keepers in Graeme Porter and John Lee and Nathan Aspinall for his new role as Ground manager. To Uldis Zile and Bruce Gaskin, the best team managers in the business who make the week seamless. In what was a big year our oB field team of Charlie Ricciardo (club chaplain) and Sacha Fulton (Performance / well being) we thank you very much.

Lastly to our property team who do an amazing job and are the backbone during the week and particularly game day. To Clayton Davidson and Harry Summerfield thank you very much.

Well done to Sam Mainwaring and his team on reaching a preliminary final and finishing 2nd on the ladder. Although it was an agonising loss there is plenty of positives to come from the season. We'll welcome a lot of these colts boys into a senior preseason for 2026. Thanks to Dave Depane our Talent Manager for his support and commitment to the program.

Well done to Darcy Meyers our women's football manager on her first season at the helm. To Matt Templeton and the WAFLW 2025 team on reaching the finals after starting slowly in the season. Looking forward to 2026 and the opportunities that will present themselves for this highly talented group.

Thanks to Ennio Tavani and the board for their support over the year. It's been a tough year back to the club but the push to make us better is there to see. I'd like to say a big thank you to Adrian Bromage our CEO for his unwavering support and guidance. He was the one to approach me if I was interested in returning to the club, so it's been great to work alongside him this year. To all our team here in the office daily, Nick Jackson (Marketing), Brad Sheppard (Commercial), Emma Abbott (Partnerships), Will Kennedy Selina Sterker (Memberships & Administration), Pete Latham (Finance), Anna Milne (Administration) and the famous Bob Uittenbroek who is the greatest volunteer of them all. Will not get tired of his unique phone sounds blasting through the corridors. To all our wonderful volunteers who put in countless hours of work, so many to be named. I thank you very much for all your efforts this season.

Congratulations to all our award winners on Lynn medal night, Milan Murdock capturing his 3rd Lynn medal from Tom Joyce and Kyle Baskerville. Ashton Warner for his well- deserved Shark of the Year win voted by the players, Cody Leggett and Jed Hagan who tied the Leading Goal kicker. Mitch Zadow for Patron's Rising Star and Jed Hagan for Player of the finals. To Elijah Burrows who took out the Henry JeBery medal from Ethan Paholski and Elijah Stockden.

Congratulations our 5 State to representatives who took the victory over SA Adelaide, Harry Marsh, Baskerville, Cam Eardley, Milan Murdock and Jarred Jansen. Well done to Lachlan Blakiston who was picked up in the midseason draft to Essendon, debuted and earned a contract extension for season 2026.

To all the staff and players who have moved on from the club, we thank you for your contribution to the blue and white and we wish you the very best in your next chapters.

2026 will be here before we know it, we look forward to the next challenge and our endeavours to go further in the quest for our next tilt at a premiership.

Go Sharks!!

WAFLW FOOTBALL OPERATIONS REPORT

The women's campaign began with preseason training at Gairloch Reserve, an early taste of what was to come in Season 2025. There was an exciting raft of recruits into the League squad with the group welcoming back Anjelique Raison from Claremont, Jae Flynn and Sarah Wielstra from Fremantle Dockers FC and the addition of Noa McNaughton from South Fremantle, along with our recruits from PFL and international football who complimented the Rogers Cup players that we're elevated into the senior program. December saw great reward for two of our athletes in Zipporah Fish (Sydney Swans) and Tayah Chambers (Essendon) who were picked up in the AFLW Draft.

The WAFLW season began with a highly competitive hit out to South Fremantle in the first Derby of the year, an unfortunate 3 point loss in the dying minutes. The first half of the season saw a struggle to get consistent wins, post mid-season bye saw the team perform strongly to secure themselves a finals spot. The group faced Swan Districts in the finals after a 4 point loss in round 18. A tough hit out in wet conditions and a muddy field saw the sharks go down by a point ending their finals campaign. The group should be immensely proud of their season, our young players and debutants stood up and competed against some of the WAFLW's best players and showed them how competitive our list will be come season 2026.

Our Rogers Cup side had a dominant year with 12 wins and 4 losses. They showcased the amazing talent coming through our pathway and is an exciting look at what the future talent of women's football will look like.

The girls embraced every challenge thrown their way and always strived to be a fantastic example of the clubs values. We had some young leaders stand up and pave the way for an ongoing successful program that strives to develop our next generation. With 6 league debuts it's an exciting future for our ahead women's program. Congratulations to the following athletes who made their senior debut, Eve Wilson-Sieber, Jada Tames, Olivia McCay, Cienna Leslie, Lana Fitzgerald, Clotilde Decaux and Isabella Strnadica.

A breakout year for talent in the pathway saw big reward for many of our athletes. Tiani Teakle, Sarah Wielstra, Jae Flynn were selected to play in the WAFLW State Team. Maya Louvel-Finn, Avuya Nomlatyu, Alicia Blizard were selected in the State 18's and Olivia McCay, Laila O'Connor in the State 16's. A dominant year for Maya Louvel-Finn saw her selected for the AFLW U18 All Australian team, and Alicia Blizard who competed in the AFLW Academy match. Both Maya and Alicia were recognised for their outstanding seasons with an invite to the AFLW Draft Combine.

Darcy Meyers WAFLW Football Operations Manager

Congratulations to Brooke Repacholi on winning the WAFLW League Best & Fairest. It was great reward for the consistent year Brooke displayed on field as a hard working, versatile ruck who was a large influence in games. Well done to Maya Louvel-Finn and Madison Evans who finished second and third, respectively.

Jada Tames was awarded the Rogers Cup Best & Fairest after a breakout season, her talent saw her rewarded with her league debut. Congratulations to Sienna Lilly and Olivia Keady who finished second and third.

A big season is not possible without the coaches, medical staff, and support staff who dedicate time to developing and preparing our athletes. Thank you to you all.

MIDWEST FEMALE ACADEMY

Our regional academy based in Geraldton continued to go from strength to strength.

A new programmed launched that aimed to provide specialised training and services to committed and talented female players in the club's regional zone to further develop their football.

We saw a record number of participants in our program, which saw the squad train each week in preparation for the inaugural WA Football Regional Female Carnival.

The girls came up against Subiaco, West Perth and Peel's regional talent teams, in trying weather conditions it was a great display of the talent in our regional zone and provided a pathway for our regional players to enter talent pathways.

The program and carnival was not at all possible without the guidance and assistance from Harry Taylor, and our coaches Claire Garnaut and Natalie Marwick. The talent shown by these athletes is an exciting taste of what's to come in our regional zone.

FEMALE DEVELOPMENT

Our 2025 U14's program was lead by Paul Lenzarini and Bec Brayshaw.

It was a fantastic opportunity for the club to provide development to emerging coaches, and saw 5 of our Rogers Cup players and 3 WAFLW players develop their skills and be a great role model to our young playing group.

The program was a fantastic opportunity for 14 year-old players from our junior clubs to train with and play against other talented players acting as the initial step in the club's female talent pathway.

Finally, thanks to President Ennio Tavani and the Board for your ongoing support along with CEO Adrian Bromage for your direction and trust throughout the season. Thank you to the staff in Nicholas Jackson, Taryn Priestly, Anna Milne, Emma Abbott, Will Kennedy, Selina Sterker, Bob Brad Uittenbroek, Sheppard, Dylan Flanagan, and Matt for your day-to-day guidance. And to Shane Woewodin and David Depane for their support and guidance to tackle any challenges that came along with my first year in the role, their support is invaluable and truly appreciated. It is the people that are the hearts of footy clubs and I have been truly fortunate to cross paths and work with a number of amazing people over the year. I can't wait to see this program flourish with some exciting changes ahead of season 2026

SENIOR MEN'S COACH REPORT

Season 2025 began with much excitement as we returned home to our new facility at Good Grocer Park.

We started the season strongly, aside from a poor performance against Claremont in round 2 and we were 6 and 1 after 7 rounds.

Five of our players – Kyle Baskerville, Jarrad Jansen, Harry Marsh, Cam Eardley and Milan Murdock – were selected for the WA side that defeated South Australia in Adelaide, each playing a meaningful part in that win.

Things changed significantly after that point. Lachy Blakiston earned an opportunity at Essendon in the mid-season draft, and injuries mounted. As a result, we debuted more players than usual, including two 17-year-olds.

Whilst this impacted our win loss record, it was exciting to see those young players exposed to senior football and begin to grow and improve with games under their belts.

A difficult stretch followed. We were in winning positions several times but fell short with a 1-point loss to Subiaco, a 2-point loss to Perth and a 5-point loss to Claremont. Those narrow margins contributed to a 11-7 record and 4th place on the ladder missing 3rd on percentage.

Although the elimination final against Perth brought a big crowd and gave our club a chance to showcase our ground and facilities, we couldn't finish the day with the result we wanted.

Milan Murdock continues to take his game to new levels which is a testament to the way he prepares and competes. A third Lynn Medal is an incredible achievement and to top that off he added a third Simpson Medal in the State Game.

Our list continues to develop but that also means we farewell some valued contributors to our club.

Cody Leggett departs as a Premiership player who drove our improvement not only with his football ability but with his competitive edge.

Michael Tassone has retired due to concussion concerns after playing 80 games for EFFC and 97 overall. His dash will be missed.

Not everyone leaves on their own terms or with the career they envisioned. While I'm grateful to every departing player, I want to acknowledge Ethan Paholski in particular. He persisted for years without great reward, and it took until 2025 for him to earn his League debut. Playing around 80 reserves games before that moment speaks to remarkable resilience and commitment.

I'm fortunate to work with outstanding people in our football department, and I want to thank them all for their efforts.

> BILL MONAGHAN LEAGUE HEAD COACH

Senior Assistant Coaches Craig Smoker, Joe Comande and Adrain Ricciadello; Head of Development Adam Dancey; Reserves Coach Spencer Grebe; Development Coaches Hansen, Paul Mews and Geoff Barry; Team Mangers Uldis Zile and Bruce Gaskin; Runners Kane Lucas and Bradd Dalziel; Bench Co-ordinator Craig Anderson; Head of S&C Dan Barry; S&C Assistant Imogen Harris, Doctor Gareth Carroll; Physios Marina Torres and Brooke Elliot; Head trainer Garrick Dale and crew: Property Managers Harry Summerfield and Clayton Statistical analyst Davidson; Amber Kinnane; Head of Player preparation Sacha Fulton; Club Chaplain Charlie Ricciardo; and Football Manager Shane Woewodin.

There will be change within this group as well. To those moving on, thank you and best wishes for what comes next. To those staying, I look forward to working together again as we push to improve in 2026.

A special mention goes to Joe Comande, who has accepted an opportunity elsewhere. Joe has made a significant contribution to our program, and more importantly, I truly value his and Lil's friendship.

I am excited for what 2026 will bring. Will our 2025 debutants continue their improvement and push to be regulars in the League side? Can our emerging players such as Cleaver, Rankin, Zadow, Avery and Murphy – elevate themselves to test the established players and drive the standards? And can our veterans secure more success as they near the end of their careers? Your support is crucial, and we look to seeing you at the footy in 2026.

RESERVES REPORT

With the highs of 2024's magical reserves Premierships still fresh in our minds, we attacked the 2025 season with all the passion and energy that you would expect of an East Fremantle footballer. We returned a very different looking team from the side that hoisted the cup merely months earlier. A large group of our older experienced players decided to hang up the boots after the flag win. However, with all challenges come opportunities. Which is exactly what we want to see from our development squad.

It was great to see so many faces whose careers I have been a part of (many since futures) now making a name for themselves at senior level at this historic club. But this is the exciting part of coaching reserves football, it's all about helping players improve and hopefully having a small hand in them developing into East Fremantle league footballers.

Myself, Paul Mews (Mids), Paul Hanson (Backs) and Geoff Barry (Forwards) made up the coaching team, with Adam Dancey as the Head of Development providing a guiding hand.

From an on-field performance standpoint, I think that it's difficult to argue that the year wasn't a bit disappointing, however in development winning and losing are a distant second to overall development and growth as players. Whilst our win column may not have been stacked with large numbers, I would say that the learning and development our players went through has them placed well to grow further into the years to come.

The coaching group worked tirelessly in an effort to make sure all of our boys were getting the best possible guidance going forward. I cannot thank Geoff and the Paul's enough for their efforts and support during the year.

At East Fremantle I have always been proud of the fact that we invest as much effort into making people good young men and women that we are proud to call Sharks.

Good people with strong characters who work hard and do good in the community. Who think of their team mates first and themselves last.

During the year we dealt with several adverse sets of circumstances and it made me proud to be a part of the group as a whole to see how our boys handled themselves and supported each other. Seeing the boys grow through at times very challenging circumstances was great to see. To see the group work through the challenge of a season where wins were hard to come by, maintaining a positive attitude and keeping each other up week on week I think speaks volumes of the character of the people we bring through our development pathway programs here at Easts.

A few thank-you's to mention here both from me personally and on behalf of the coaching group. Firstly as I have already mentioned, the group of great people I had around me in my assistant development group. To Shane, thank you so much for the opportunity and your support during the year. To Amber Kinane, a great help to me and always a great person to help with anything or to support. Johnno Marsh, you were always a great help. The senior assistants and Bill, but particularly Ricca, thank you for your support.

And lastly but most importantly to every single development squad player, I would name you individually, thank you for allowing myself and the coaches the opportunity to be a part of your footy journey. I wish you all the best in the future and know you'll be great.

Like all things 2025 has drawn to a close and with that a new season is dawning, new challenges and new opportunites to attack head on. I wish everyone that's a part of the senior program the very best for season 2026. Look forward to seeing the Sharks back at the top. FINS UP!

SPENCER GREBE RESERVES HEAD COACH

COLTS REPORT

This season the colts group produced some pleasing results on and off the field.

On the field we played some exciting footy which saw us finish second on the ladder with a 12 and 4 record. 4 of those games were won under 10 points and 2 games lost under 5 points which shows us we were on the right side of some nail biters. It was important that our brand competes with the best despite who plays in the side and for the most it stood up.

Throughout the year we fielded one of the youngest teams in the competition which is evidence our club is prioritising development. This was highlighted with 7 futures (16 year old) debuts, 3 of which played throughout our finals campaign. It is exciting to see strong groups coming through our talent pathways which is a testament to our pathway staff and coaches 14s-16s, players from the and the parents/guardians that support them.

The boys continued to shine off the field. It was a humble group who genuinely invested in their relationships with coaches, support staff and the wider community. We preach gratitude in our program, and it was evident throughout the year.

The highlight of my year wasn't making a preliminary final, it was the stories that came from the players' involvement in Star Kick. The program gave the boys an important perspective check, showing them that footy is a powerful tool for inclusion. We are all proud of this group's willingness to embrace an experience that took them out of their comfort zone in order to positively impact someone else.

By the end of the Star Kick program, it was clear from the feedback that our boys had gained just as much as the kids they worked with each Sunday.

I'm very proud of this years group and what we had built. To the boys moving on, you've got all the tools for you to succeed in whatever you do whether it be in footy or not. To the boys returning, you've have seen what it can look like, we were so close this year, hopefully that can drive us over the preseason.

Sam Mainwaring COLTS HEAD COACH

WAFLW REPORT

Pre-season commenced in the middle of October, marking the beginning of what would become a challenging yet extremely rewarding journey for our playing group.

The intensity of training and high standards set from day one created a strong foundation for the months ahead. Our senior players deserve special acknowledgment for leading from the front, setting the pace, and demonstrating the level of commitment expected at the East Fremantle Football Club. influence played a vital role in guiding our them athletes, helping younger understand what it takes to perform at an elite level both on and off the field.

As the squad continued to grow together, the focus remained on improvement, resilience, and unity. The pre-season block tested both physical and mental strength, but the progress made during this period proved invaluable as we moved into the competitive season.

After the Christmas break, it was fantastic to return home to Good Grocer Park. Being back on familiar turf brought a sense of excitement, belonging and renewed motivation for the playing group. The environment created by our club community, volunteers, and supporters helped drive our standards higher, encouraging the team to perform at their best week after week.

This part of the season also saw the introduction of new coaching staff joining Damien Hodge, including Ali Noakes, Alan McDonald, and Paul Lenzarini. The addition of their experience, knowledge, and fresh perspectives contributed significantly to the development of our program. They worked collaboratively to strengthen our structures, enhance individual skill development, and support a positive playing culture.

We are incredibly proud of the players who earned selection in the State sides, representing Western Australia in both the Rogers Cup and Senior teams.

Achieving state honours reflects talent, consistency, and the relentless drive to improve, a tremendous accomplishment for those selected.

We also extend a sincere thank you to our dedicated support staff, who worked tirelessly all season to ensure that the players were well prepared, cared for, and supported both on and off the field. Their professionalism and commitment behind the scenes are truly appreciated.

Congratulations to all award winners, especially Brooke Repacholi for claiming the Fairest and Best award, Madison Evans as Runner-Up, and Maya Louvel-Finn in third place. Their performances stood out across the season, and they should be incredibly proud of their achievements.

Finally, we thank Matthew Templeton, Ali Noakes, Jordan Handcock, Saoirse Hanavan, and Alan McDonald for their time and dedication to the East Fremantle Football Club. We wish them every success for the future and hope they take fond memories from their time with us.

PAUL LENZARINI 2025 ROGERS FORWARD COACH

ROGERS CUP REPORT

It was a fantastic year from the East Fremantle Rogers Cup team. After taking over as coach from Troy Fish, it was great to continue all his hard work to continue to grow the program from strength to strength.

We had a slow start to the season, losing a couple of our early games, but we managed to really click into gear going on an impressive winning streak of 10 in a row. Playing finals was also a great achievement – however the main indicators of success for our program are listed below:

- 45 players played throughout the year, 18 of which were Rogers Cup Debutants
- 6x League Debutants
- 3x State 18s players
- 2x State 16s players
- 6x State 15s players

It was a great year on the track coming back to Shark Park this year, increasing our training capabilities – allowing us to do more reviews and incorporating 2x gym sessions a week.

A huge thank you to my assistant coaches; Saoirse, Ayla & Mark - it is a substantial time commitment away from family & friends but the resources you provide the group is invaluable.

Also, a massive thank you to our other support staff; Stacky, Jas, Georgia, Bek and Sean – without you we don't get on the park each week. It's a huge credit to the player's and our staff to build an environment where everyone can grow as people.

A massive thank you to Matthew Templeton for all his hard work and dedication to the program, and for everything he has supported and taught me over the last couple seasons.

I will miss coaching this group of incredible players and I look forward to watching their development and seeing how all their careers progress over the years.

Thank you.

JORDAN HANDCOCK 2025 ROGERS COACH

COLTS TALENT REPORT

The colts commenced their 2025 season preparation way back in November 2024.

For the first time in a few seasons, we had some stability with our training venue, with us training at The Good Grocer Park on Tuesday evenings and heading to Emmanuel Catholic College for our Thursday evenings. The pre-season was gruelling for all involved and certainly put the players (and coaches) through their paces. It certainly set us up for what was to be a very successful season on field.

During the season itself we were very consistent across the home and away rounds, finishing 2nd on the ladder after a 12-win, 4-loss season. Our first final against a very strong Claremont colts, proved to be our best overall performance for the season, as we played an exciting, fast flowing brand of football that saw us come away with a convincing win. Unfortunately, we couldn't replicate the same style over the next two weeks of finals wet weather not helping our cause.

Whilst disappointing not make the Grand Final the season itself saw many positives. We played a very young side over the course of the season, averaging only 2 x 19-year-olds per game, we can play up to 7 x 19-year-olds per game. We also played 6 x 16-year-olds, effectively underage players who can play 2 more full seasons of colt's football. As you can see from this, clearly our philosophy is to blood the young players, and give them as many games as possible.

This sets the club up for a bright future and gives the boys some excellent experience for the years ahead.

A big Thank you to all the support staff involved in our Colts program. Head coach Sam Mainwaring provided great guidance to the playing throughout the season. Working closely alongside Sam were assistant coaches Jack Perham, Brad Cooper and Chris Harry who were always willing to pass on their knowledge to the group. The support provided by Alec DaSilva, Aaron Parker and Chris Ch'ng(S&C), Holly Boyd (Physio), Beth Ewens and Selina Sterker (Medical), Brad Coster and Trent Farmer (Coaching), Joshua Clayton (Runner) was first class from day one. Ollie Leonard was also a fantastic addition to our support team looking after our stats on game day and providing an excellent insight into our opponents each week.

I would also like to thank our property team (Clayton Davidson and harry Summerfield), who are always the first to arrive and last to leave on game day, and Angelo Cuccovia our trusty timekeeper for the season.

DAVE DEPANE TALENT ACADEMY MANAGER

Thanks also to our Past Players and Officials, Bill Hale and the Mikus family for your generous support of the colt's best player weekly awards.

Congratulations to our WA state 18's representative Luke Carrello, Cooper Ramsay and Tom Phiilips. Unfortunately for both Luke and Cooper injury prevented them from being able to play during the carnival, whilst Tom played put together some strong form during the games.

I would also like to acknowledge Tom Grylls on his fantastic achievement on being awarded The Jack Clark Medal for the WAFL Colts Fairest and Best. Special mention also to Oli McManus and Luke Carrello on making their League debut during the season. Also, a big well done to Tom Grylls, Oli McManus, Ben Wood and Kaiden Summerell on being selected in the WAFL Colts Team of the Year.

Finally, congratulations to Kaiden Summerell on being awarded the Len Anderson Medal for our Colts Fairest and Best for the 2025 season, and on his WAFL Coaches Player of The Year award.

One final word on our Colts program for 2025, we initiated a community engagement program for our colts' boys. The boys were rostered on weekly to attend either East Fremantle Power JFC or Piara Waters JFC Starkick programs.

For those wondering, Starkick is a multi-award-winning all-abilities football program supporting children 5 to 17 years of age. With modified rules and activities, geared to each child's individual needs, Starkick seeks to support all disabilities and runs with a simple mantra "If you want to play, we'll find a way." The boys absolutely loved giving back to the community, and we received some fantastic feedback from both clubs on the engagement and fun the boys brought to the programs.

On a final note, I would like to wish all the graduating colts the very best of luck with their future football journey whether that be with East Fremantle or another club at any level.

Futures Talent Report

Like the colts program our futures kicked off in late November. After a long and warm summer, the group were ready for some game play come mid-March.

The carnival consisted of 7 games against various WAFL clubs. It was pleasing to see the boys develop their playing skills and knowledge over the program, to a standard where they were successful in most of their games.

The teamwork, game style and commitment to each other during the games was outstanding and there is no doubt the way the boys combined was evident in their on-field performances.

I would like to thank all the coaches and support staff for their efforts and commitment to the program. James Depane was a passionate Head Coach who was very committed to the role and developed not only the boys but his fellow coaches to the highest of standards. James was ably assisted by Tony Yerkovich, Spencer Grebe and Luke Wilson as line coaches along with Brent McMeikan, Ashley James and Enrique Featherstone. Thanks also go to Simon O'Connor (S&C), Hannah Faller (Physio), Jye Depane (Runner) and Amanda Ingraham (Head Trainer) for their commitment and devotion to the program.

Congratulations to James Artemis on winning the 'Harry Taylor Medal' for the fairest and best player of the program

I would also like to congratulate James, Hunter Hearn, Noah Hannaford, Oscar Richardson, Jake Oliver, Troy Warner, Jayke Taylor, Taitt Abbott and Alex Edwards for making the WA State 16s squad.

I look forward to watching the whole group return as they trial for our 2026 colts playing group.

15's Development Squad

Our 15's squad commenced training in May and continued through to early July.

The 15's program gives the players an excellent opportunity to build on their 14's carnival the previous year, along with new additions to the squad getting their first experience in our talent programs.

Training was well organised and focussed on our key development points over the weeks training allowing the boys to go into the games with the ability and confidence to perform well.

The July school holidays saw us against Perth in a couple of hard-fought matches at The Good Grocer Park, whilst Game 2 we played against strong West Perth squad. Over the course of the games our boys combined to show some great team football, linking up very well and working hard for each other.

The boys were lucky to have some great coaches involved including Ashley James as head coach, ably assisted by Ryan Bacich, Amanda Ingraham and Luke McCorkell. Also, a big thanks to all other support staff who assisted throughout the program.

Congratulations to the following boys on their selection in the WA 15's State Schoolboys: Will Davy, Aiden Martignago, Jayke Taylor, Lachlan Wall, Troy Warner, Aiden Wilson, Naka Herwanto and Jack Holland.

The boys will now prepare to return and trial for our 2025 Futures program.

14's Development Squad

Our 14's squad came together in early August training two nights a week at Karoonda Reserve.

An induction was held before the first session welcoming both players and parents to the program and outlining the journey ahead both for the short-term program and the longer-term pathway as a future East Fremantle player.

After several weeks of training including numerous drills concentrating on decision making, ball winning ability and skills focus, combined with some intra club games the squad started to focus on some game plans and structures in readiness for the games ahead.

October school holidays finally arrived, and the boys were ready to play. Our first game was against Peel with both teams competing well against some strong opposition. Game 2 we were pitted against West Perth. As always with West Perth, the teams were evenly matched,

and both games had some excellent skills on display. It was pleasing to see our teams executing the game styles that they had been learning over the previous weeks at training.

Thanks to the dedicated coaching staff of Tony Yerkovich, along with several assistant coaches (Dom Madaffari, Clint Davies, Amanda Ingraham, Kane Simmons, Trevor Boothey, Laurie Pettman).

All coaches contributed their own valuable time and effort to ensure a successful program was very well run.

The boys will now take a well-earned break from a long football season, and we will see them return next year as they continue their pathway with East Fremantle Football Club.

I would like to also thank all those involved in making it a successful and enjoyable 2025 season. I would like to acknowledge and thank the Board of Directors and Adrian Bromage. I would also like to thank Shane Woewodin, and Darcy Meyers for their assistance, guidance and chats on all things football. Also, a big thanks to Nick and all the administration staff for their help and support over the last twelve months.

Closing Word

In closing, I would like to save my final thank you to my wife Tania. You are always willing to work around the long and odd hours that my role offers, but no matter what you are always there to support me when required.

Bring on more in 2026.

2025 WHEELCHAIR FOOTBALL REPORT

As the inaugural Wheelchair EFFC player in 2024 it has been a honour to don the blue and white.

While we had some new players meeting and playing together for the first time we had a lot of fun growing and playing each week.

2025 started again with a few new players and coaching and some young blood to spark up the team and season finishing up 4th on the ladder.

Myself it has been a awesome 2 years and never played in wheelchair sports before 2023 I have found a great community in the club and WCAFL league with new friends and camaraderie with all the teams involved.

It's great to hear everyone's stories and backgrounds.

The EFFC have been very supportive to all of us and can't wait to help it grow and be a league that people want to watch.

1965 REUNION

Darryl Cormack

On 19th August this year we celebrated the 60th Anniversary of our 1965 Grand Final win between East Fremantle and Swan Districts at our new venue, Carnaby's, with many members of that present. Although our new building does not yet possess the old atmosphere and familiar surroundings of the original Football Club premises, the proceedings were most enjoyable. Harry Neesham and Laurie Watson spoke and described how we overwhelmed Swan Districts in the final quarter at Subiaco Oval in front of 46,744 spectators. Swan Districts had been favored for the 1965 flag and had led at every quarter and at three quarter time the score was: 14.5 (Swan Districts) 9.14 (East Fremantle) - a lead of 29 points.

Swans also had the benefit of a strong breeze in the final quarter so nobody at the oval was expecting to witness what was to come. With the brilliance of David Imrie (Simpson Medalist) and Bertie Thornley, together with the physicality of Norm Rogers and Harry Neesham, combined with the sharp shooting of Bob Johnson and Laurie Watson, we achieved an epic victory.

Those in attendance agreed it was a most pleasant and entertaining way to commemorate this anniversary as it engendered a wonderful feeling of camaraderie which is so important in preserving the great traditions of our club.

1985 REUNION

George Christie

On the 26th April 2025, the 1985 Premiership team celebrated our 40th reunion with a fantastic turnout, with almost the entire squad in attendance along with many of their partners. It was a great day of catching up, sharing laughs, and reliving the memories of a great era. Over a lunch at the club teammates, reflected on the good times, and celebrated the strong bond that still connects us after all these years. A panel of Clinton Browning, Andrew Lockyer and Gerard Neesham shared stories during the luncheon. To commemorate the 1985 win our captain/coach Ron Alexander tossed the coin for the League game against Subiaco. The celebrations carried on into the evening as everyone continued to reminisce and relive the glory days.

WAFLW AWARDS & LYNN MEDAL NIGHT

WAFLW AWARDS & LYNN MEDAL NIGHT

PAST PLAYERS & OFFICIALS ASSOCIATION REPORT

It was a fantastic year and we were finally back at our home ground at Moss Street. Another success this year was having access to the marquee. This really helped to accommodate our members in a comfortable environment. This enabled us to entertain both our members, sponsors and combined football club members in a friendly area.

The EFPPOA continued to support the half time home game snacks by providing food and beverages. However, this couldn't have been achieved without the support and assistance from our key sponsors Total Foods (Steve Litton). Total Foods have been our major sponsor for the last 20 years plus and we can't thank them enough.

In addition to the support for the half time fraternisation, Total Foods also donated a meat hamper for every home game this year for us to raffle off. The cost of the meat hamper was well in excess of \$400+. Everyone who won the meat hamper were over the moon with the quality and variety included in the meat hamper. Again Total Foods are amazing.

The 100 club this year was held again five (5) events and each one was attended by approximately 30 to 40 person. We would like to see a few more next year attend as it is a great night. All the food is donated. IGA in South Fremantle sponsor us with hot chickens for the night.

Again we thank IGA South Fremantle for their continued support. Our sandwich volunteers also do a fantastic job to support the events as well. A big thank you to Maria Santaromita, Dorothy Cant, Jack Roberts, Kevin Collins, Vicki Jones and Glenys Salmon.

This committee had continually provided support to the East Fremantle Football Club (EFFC) and it's members.

Some of the our member support we provided this year to the East Fremantle Football Club included not only monetary but time and effort included:

- Total dismantle of interior walls, floor panels, furniture, etc of the East Fremantle Tricolore old office building at the soccer club. Rubbish/skip bin removal and some of the office furniture was returned to the football club for their use. This task was completed in three days by M Jez, R Townsend, R Santaromita, N Robinson and T Boase.
- Electrical work for the club facilities by R Townsend. Setting the up the partitions required in the under I croft area to create three separate areas. This also included shelving. All the work was carried out by R Townsend.
- The new Football Club reception desk

ROB SANTAROMITA

PPAO PRESIDENT

- New display units and shelving in reception
- Signage for the new reception desk was donated by

our sponsor Signpoint. A very big thank you to

James Ellis for this work. Looks amazing.

- · Donated cash
- Provided support to the Football Club raffles
- Provided support to the Football Club with membership drive
- Fairest and Best Award each Colts game

We are incredibly lucky to have an amazing assortment of sponsors who year in and year out support our Association.

They either donate prizes or money. I would like to take this opportunity to thank each and every one of our sponsors for without your support we would not have been as successful, and we hope it continues in 2026.

Our major sponsors this year were: Tony and Josey Algeri, Ron Adams, Craig Burrows (who is also our Patron), Ian Burrows, Signpoint (James and Mandy Brendan Krummel. Lawrence, Total Foods (Steve Litton), Retravision (Glen Mortimore), Chris Popjoy, Vic Strnadica, Premier Glass (Steve Edgar), Off the Vine (Scott Spalding), Fremantle Lobster (John Minutello).Neil Lester Smith. Mark Stewart. Joy Howard, Quayside Transport (Geoff Hall), Fremantle Italian Club and last but not least Matt Gill (our Vice Patron).

We hope our members support these sponsors who support us.

We welcomed two new Life Members to our Association this year. They were Robert Santaromita and Steve Litton (Total Foods).

The Square EFTPOS tap and go was a great success this year by collecting funds more for raffles and membership payments.

Carpark volunteers this year was a great success however it was difficult given were manning three car parks at a time – Moss Street, Fletcher Street and Carnaby Close.

Early starts for some of our volunteers. A very big thank you to all the volunteers as you are truly amazing and very supportive of the EFPPOA activities.

Car park volunteers were: Kevin Cant, Trevor Jennings, Gary Stockton, Bill Hale, Lisa Flynn, Jordon Paparone, David Hankey, Mick Jez, Robert Santaromita, Graeme Carter, Ron Bentley, Rex Townsend, Jack Roberts, Brian Johnson, Joe Yukich, Kevin Collins and Vicki Jones.

Raffle and Batt volunteers this year were: Vicki Jones, Michael Daff, Lisa Flynn, Melissa Bralich, Fiona Davidson, Nathan Rowlands, Tracey Newton, Robert Santaromita, Peter Gibson, Matthew Lockton and Rod Buttel.

The EFFPOA hosted many very successful events during the 2026 season. But the two key events

· Country Week (July) – we hosted the Geraldton League Football team at Carnaby's for a pasta night.

• East Fremantle were selected to host the State 15 School Boys and Girls Jumper presentation in July. This was a great success as it was the first time in seven (7) years that the teams were able to train on jumper presentation night. Bill Monaghan allowed the school boys and girls to train for 2.5 hours on the oval, this was their last training session before they flew out to compete in Maroochydore in Queensland the following weekend. Unfortunately, they came second to Victoria in the championships.

This year East Fremantle district had 33 state representatives in 15's, 16's and 18's state teams (both boys and girls) and one State 15's umpire. This was a fantastic result for our Club. The EFPPOA provided each representative a donation towards their travel expenses, which was greatly appreciated by the kids parents of the who were representing us. We were the only WA Football Club who provided the kids with a monetary donation towards their expenses.

Our EFPPOA membership grew to over 200 members during the 2025 season. We really hope this trend continues into 2026.

This year we farewelled Kevin Cant, one of the East Fremantle Past Players and Officials Association longest standing members. Kevin has been a member of the East Fremantle Football Club since he was ten years old and joined the Past Players in 2000. In his 25 years of service, Kevin has done an outstanding job for both the association and the football club.

We can't thank him enough for his efforts, particularly cooking for the early morning Colts BBQ breakfasts, car park duties (both rain and shine), selling raffle tickets and finally cooking at all the AGM's of the association. He is going to be sadly missed by us all. In true Kevin fashion, he has said that he is going to continue in 2026 with his car park duties, so we will still have his support and commitment. A big thank you to his wife Dorothy Cant, who has also supported both the association and the football club throughout those 25 years.

Thank you to the Management and staff at Belgravia who have supported us during the 2025 season. We have developed a great working relationship with them over the last 12 months and we hope this trend continues into 2026.

Congratulations to the East Fremantle Football Club, Coaches, Staff and Players. Thank you for a job well done during 2025 season.

Finally - A very big thank you to our committee for their work ethic, support and communication. They are an incredible team and have certainly made the role as President a lot easier.

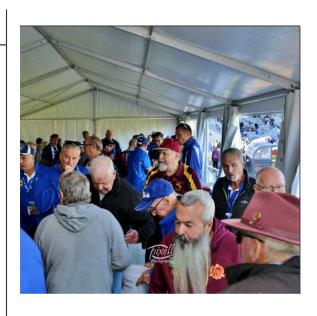

I would personally like to thank the most important people in our club – the volunteers and there are so many of them. Without their continued support and dedication to the East Fremantle Football Club, this committee would not be as successful as it is. The men and women who give up their time to help out – a very big thank you. You have all done an amazing job and I so look forward to 2026.

Let's look forward to another successful year ahead.

2025 EAST FREMANTLE DISTRICT REPORT

Throughout 2025, the East Fremantle District continued to build on its strong foundations, delivering another outstanding year across all programs and participation pathways. Auskick, Rookie Series, Starkick All Abilities, school football, junior football, AFL Nines, Superkick, coaching and umpiring all played key roles in strengthening football opportunities within the community. Female football also maintained its strong upward trajectory, with continued growth and representation across the district.

We were thrilled to expand our footprint across local schools, with 85% of primary and secondary schools in the district participating in football programs and competitions this year. AFL Nines again ran successfully at Cockburn, offering both Men's and Mixed competitions.

Game-day experiences remained a highlight of the season. Little League was featured at every WAFL and WAFLW home game, and it was fantastic to see the Junior Parade return to Shark Park—led in style by Forrestdale JFC, complete with their own mascot. Several district clubs also took part in halftime activations at AFL matches at Optus Stadium throughout the year.

The annual East Fremantle District Auskick Gala Day at Rossmoyne Junior Football Club was another major success, bringing together more than 100 teams and featuring all 15 Auskick centres from across the district.

The 2025 Festival of Footy united Year 2 teams from East Fremantle, South Fremantle and Peel Thunder in a roundrobin carnival designed to ease the transition from Auskick into junior football. Hosted by Mandurah Mustangs, the event was a fantastic day, with East Fremantle proudly represented by 25 enthusiastic teams.

A heartfelt thank you to everyone who contributed to the 2025 season. To our junior clubs and their dedicated committees—your commitment remains the backbone of our district. And to all the players, your passion, energy and love for the game continue to inspire. It has been wonderful to witness so many young boys and girls enjoying football at their local community clubs and schools.

Looking ahead, 2026 will bring a slightly different structure, with no designated WA Football Participation Officer aligned directly to the club. WA Football will instead shift focus toward strategically targeting specific schools with enhanced exposure to football programs and opportunities. We remain committed to supporting our junior clubs and continuing to strengthen our district.

We're incredibly excited for what lies ahead in 2026.

Fins Up!

JORDAN HANDCOCK 2025 ROGERS COACH

GREAT NORTHERN FOOTBALL REPORT

This year the 2025 GNFL Season kicked off on Saturday 26th April, with only 2 teams playing and the other 5 teams sitting out with a Bye.

This year, the board underwent several rotations of its members. The new board members who joined this season and subsequently exited include Tammy Cross, Josh Wilson, Grant Russell, and Rob Cullton.

As of today, the GNFL Board consists of me, Selina Kiddle (Vice President), Daniel Tyler, Steve Pratt, Colin Cox, Haydn McCartney and Gloria Minson.

On behalf of the GNFL, I would like to firstly thank all the Board members, both past and present, for 2025, for volunteering your time and commitment to the GNFL. As we all know, the success of our competition is reliant on what each of you individually contributes.

This season also started with a change in Starling's Operations Manager, with Jo resignation being received, and the GNFL seeking a replacement. In March, the board welcomed Zaide Higgins to the team as the new Operations Manager. Zaide committed to bringing some fresh ideas; however, in August, we received his resignation. This then left an obvious void. The GNFL then hired Kelly Bennett as a part-time GNFL Operations Manager to see us through the Finals and to the end of the Season. Kelly has been a welcome presence with the GNFL. And I am happy to report that Kelly will be moving into this position on a full-time basis as of the 8th December 2025.

The GNFL once again sent down representative teams to the Nutrien Ag Country Championships in Perth. The league team was led by Head Coach Leith Teakle and his support team. The Colts team were Coached by Gerard Marquis and his support team. And the Women's team were Coached by Drew McGregor and his support team.

Thank you to these 3 gentlemen and their support teams for taking the time out to both prepare the teams pre championships and then again whilst at the championships which were across, Perth, Mandurah and Bunbury this year. Always a massive task, but we get it done.

I would also like to thank East Fremantle Football Club for their ongoing support throughout the year, and especially during country week as they supplied dinner for one night for both the League and Colts boys at East Freo Oval. Your contributions are always welcome.

Big thank you to all the Sports trainers who volunteered their time to support all 3 of our Country Week teams – League, Colts and Women's. You all worked tirelessly to keep the Men and Women ready for each game.

Also thank you to our former Operations Manager Zaide Higgins and our current Operations Manager Kelly Bennett and to those Board members in attendance across the 3 grades that did a mountain of work across all 3 grades in helping out wherever they could from meal preps to game day assistance.

The GNFL continue to obtain great sponsor support from the community, which include our media partners and we thank you all for continuing to support the GNFL.

Thanks to new GNJFL Caitlin Bryant and her team, which still included Rod Owen for another great season of junior football.

I would also like to thank the GNFL umpiring group for doing one of the toughest jobs of all. Special mention also to our GNFL Umpiring Coordinator Paul Luxton, Paul is also the GNFL Field Head Coach, Noel Clements (Goals) and Kelly Bennett (Boundary) for the work you all do behind the scenes.

CARRISSA BELLOTTIE

GNFL PRESIDENT

I would like to acknowledge the winners of this year's Grand Finals – Brigades in the League, Towns in the Reserves, Railways in the Colts and Chapman Valley in the Women's competition.

Football is a major event during the winter season across the Midwest community, and we remain committed to delivering the great game of football.

The JJ Clune Awards Night is another significant event on our calendar, where we honour and celebrate the achievements of our football community.

Well done to; Drew Forrester (Towns) – League JJ Clune Medallist; Olivia Bidwell (Towns) and Mikenna Schultz (Northampton) joint winners of the Women's Best & Fairest; Stuart Gaby (Towns) the Reserves Jim Scott Medallist;

Gus Osborn winner of the Presidents Medal for Colts Best and Fairest. Reid Foot the winner of the Maurie Drennan Rising Star award.

I would also like to take an opportunity to congratulate Grant Russell again for being nominated for the WA Football Volunteer of the Year for the Midwest Region. Grunta's football resume is a list too long to fully name, however his contributions and dedication to football here in the GNFL is legendary. Definitely a deserving winner of this award. Unfortunately he did not take out the State Award, however you are definitely the winner in our eyes.

As President of the GNFL, I would like to extend my heartfelt gratitude to all our clubs, particularly the committee members and volunteers whose hard work makes football in the Midwest a cornerstone of our community. Your commitment and effort are essential, and it's clear that our clubs play a pivotal role in fostering community engagement. You should be proud of the significant impact your contributions have on so many lives. Together, we are making a remarkable difference in our community.

I want to express my thanks once again to the board members I acknowledged in my opening remarks. Your contributions throughout the year have been invaluable.

This year, we bid farewell to three remarkable individuals: Steve Pratt, Haydn McCartney, and Gloria Minson.

Steve, thank you immensely! Working alongside you on the board these past years has been a true privilege, and your contributions will be remembered with appreciation. To Haydn and Gloria, though your time with us was brief, your willingness to step up during a critical moment is commendable. Thank you all for your dedication and service!

I want to take a moment to sincerely thank Kelly Bennett, our GNFL Operations Manager. While I've mentioned her before, I feel it's important to highlight just how vital she has been during such a crucial time of the year. Kelly seamlessly stepped in and worked tirelessly to ensure that our competition ran as smoothly as possible, and I deeply appreciate her dedication.

Now that she has accepted the position full-time, I have no doubt that she will continue to thrive in her role. It's heartening to know that the GNFL will grow with Kelly's support, not just for the Board, but also for our GNFL Clubs and their communities. Thank you, Kelly, for everything you do!

Lastly, I would like to add that after taking over the role as Presidency from Colin back in May 2022, I have decided to not continue on in the role of President next season. These past 3 years have been both challenging and inspiring and I have learnt much about myself in this role. However, I also believe that it's time for a change in leadership.

But I am not going too far, I will remain a member of the Board after re-nominating and look forward to working with the new President and board members to continue to strengthen and grow the GNFL to its true potential.

I want to take this opportunity to thank you all for your support over the years. I have worked with many Club Presidents and their committees, and I commend you all for the work you do individually for your clubs, but also for the support that you provide in ensuring that we work cohesively as a League.

Thank you and I will see you all again for the 2026 Season.

MIDWEST SHARKS REPORT HARRY TAYLOR MID-WEST ACADEMY

The Midwest Sharks Program has been growing steadfastly now for a number of years, with incremental gains being made year on year. The purpose of the Midwest Sharks Program is to provide and deliver a development program that enhances opportunity for talented and driven Footballers in the Midwest.

The Midwest Sharks Development Program operates in conjunction with the Midwest Academy of Sport, an Academy that serves the purpose of supporting Athletes across a variety of sports within the Midwest. The program is Managed by former East Fremantle player and Midwest local Harry Taylor and supported by local coaches, Liam Clarkson and Callum Marquis in our Men's Program and Claire Garnaut and Natalie Marwick in our Women's Program.

Selection into the program is based on 2 key variables:

- Commitment and intent to improve.
- Indicators of skill and game play improvement.

Identification of players who meet these variables is based on:

- Watching GNJFL and Youth Girls games within a season.
- Communication with player school teachers/coaches (including from other sports).
- Interview with player about their commitment and desire.

In 2026 across both our Men's and Women's programs we had a total of 61 players participate in training sessions held from November 2024 through to September 2025. These sessions were tailored for the different competition groups, broken into Men's Futures and Colts sessions, Women's Regional carnival sessions and Shark pack sessions.

We had seven players (Bailey Hams, Nathaniel Lewis, Jordan Gould, Kye Wilson, Nate Lane, Reid Foot and Noah Bennett play in the Futures carnival in Perth between February and April, where one of the Midwest players, Reid Foot finished runner up in the best and fairest count.

We also had three Midwest Sharks players (Reid Foot, Mick Horstman and Lucas Ronan) represent East Fremantle in the Colts program throughout the year, with a number of other Midwest players currently at PSA schools also proudly representing East Fremantle.

During the July school holidays, we had a group of 24 players from our Men's and Women's Shark pack and regional carnival squads play in Perth. Our Shark pack group played against three other regional based teams, whilst our women's team played against a group of regional and metro teams in a one-day carnival. This was the first time that our Women's program had been given the opportunity to play in Perth against The quality teams. response was overwhelmingly positive from players and parents, and we are looking to grow these games-based competitions for our girls in 2026.

During the year we had a training session, supported by the Fremantle Dockers and some of their Women's players, and East Fremantle Football Club staff. The session was a great success and provided all in attendance a snapshot into the quality work and program opportunity being provided by our regional Midwest Sharks coaches.

We look forward to continuing to sustainably grow the Midwest Sharks Program in 2026 and thank Dave Depane, Darcy Meyers and the East Fremantle Football Club for their continued assistance in helping enhance opportunity for our Midwest Sharks players.
